CANOPY RIVERS

Speaker Name: Mary Dimou

Title: Senior Director, Venture Capital & Portfolio Operations

Company: Canopy Rivers

Company Location: Toronto, Ontario, Canada

SPEAKER BIO

Mary Dimou has been engaged within the innovation ecosystem for a decade, working closely with investors, industry, and academia. Her areas of focus cover a broad range of disciplines within the life sciences and agriculture fields including human health, animal health, and plant sciences.

Prior to joining Canopy Rivers, Mary worked in senior level roles at various private and public capital companies. She has held portfolio management and foreign direct investment roles, has acquired ag-tech venture experience, and gained director-level experience at an industrial seed-stage company. As an entrepreneur, Mary exited a machine-learning technology in the agri-technologies sector, AgRegKit. The patent-pending technology was awarded a Premier's Award for Agri-Food Innovation Excellence in 2017.

Mary graduated from the University of Guelph, with a Master of Science focused on nutritional genomics and biochemistry. She holds her Project Management Professional (PMP) designation and is currently pursuing her doctorate part-time at the University of Toronto.

COMPANY DESCRIPTION

Canopy Rivers is a venture capital firm specializing in cannabis with a portfolio of 18 companies across various segments of the cannabis value chain. We believe that bringing together people, capital, and ideas raises the potential of the entire cannabis industry. By leveraging our industry insights, in-house expertise, and thesis-driven approach to investing, we aim to provide shareholders with exposure to specialized and disruptive cannabis companies. Our mission is to invest in innovators across the cannabis value chain, help them grow, and ultimately create value by guiding these companies towards a monetization event. Together with our portfolio, we are helping build the cannabis industry of tomorrow, today.
