SEPTEMBER 24, 2020

DATED AS OF AUGUST 5, 2020
CANOPY RIVERS INC.

Notice of Annual General and Special Meeting of Shareholders

To be held on September 24, 2020, at 10:00 a.m. (EDT)

NOTICE IS HEREBY GIVEN that the annual general and special meeting (the “Meeting”) of shareholders (the “Shareholders”) of Canopy Rivers Inc. (the “Company”) will be held at the offices of the Company at 40 King Street West, Suite 2504, Toronto, Ontario, M5H 3Y2 on September 24, 2020, at 10:00 a.m. (EDT) for the following purposes, as more particularly described in the attached management information circular (the “Circular”):

1. to receive and consider the audited consolidated financial statements of the Company for the financial years ended March 31, 2020 and 2019, together with the auditors’ report thereon (the “Annual Financial Statements”);

2. to elect the directors of the Company for the ensuing year;

3. to re-appoint KPMG LLP, Chartered Professional Accountants, as the auditors of the Company for the ensuing year and to authorize the board of directors of the Company (the “Board”) to fix their remuneration;

4. to consider and, if deemed advisable, to approve, an ordinary resolution approving the Company’s non-employee director share unit plan, including any previous grants of restricted share units and all unallocated restricted share units issuable thereunder;

5. to consider and, if deemed advisable, to approve, an ordinary resolution approving the Company’s long term incentive plan, including any previous grants of performance share units and all unallocated awards issuable thereunder; and

6. to transact such other business as may properly be brought before the Meeting or any adjournment or postponement thereof.

The Board has fixed the close of business on August 4, 2020, as the record date (the “Record Date”) for determining Shareholders entitled to receive notice of and to vote at the Meeting and any adjournment or postponement thereof. Only Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting.

This year, out of an abundance of caution, to proactively deal with potential issues arising from the unprecedented public health impact of the novel coronavirus (“COVID-19”) pandemic, to comply with government and public health directives regarding physical distancing, and to limit and mitigate risks to the health and safety of its Shareholders, employees, directors and other stakeholders, the Company is urging all Shareholders to vote by proxy in advance of the Meeting and is discouraging physical attendance in person at the Meeting. The Meeting will not be open to the general public and will be limited to registered Shareholders and duly appointed proxyholders only.

Shareholders may access and ask questions at the Meeting by way of a live conference call and webcast, which will give all Shareholders an equal opportunity to access the Meeting regardless of their geographic location. Details regarding accessing the conference call and webcast are available on the Company’s website at www.canopyrivers.com/investors. Please monitor the Company’s website for additional information and instructions. Please note that Shareholders will not be able to vote on matters to be addressed at the Meeting through the conference call or webcast.

The Company reserves the right to take any additional precautionary measures that it deems necessary or advisable in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak, including changing the time, date or location of the Meeting. Changes to the Meeting time, date or location and/or means of holding the Meeting may be announced by way of press release. Please monitor the Company’s press releases as well as its website at www.canopyrivers.com. The Company does not intend to prepare or mail an amended Circular in the event of changes to the Meeting format.
The Company strongly encourages each Shareholder to submit a form of proxy or voting instruction form in advance of the Meeting using one of the methods described below and in the Circular. Registered Shareholders should complete, date and sign a proxy form in advance of the Meeting and return it in the envelope provided for that purpose to the Company c/o TSX Trust Company (“TSX Trust”) at 301 – 100 Adelaide Street West, Toronto, Ontario, M5H 4H1, by courier, by mail, by fax at 1-416-595-9593, or by electronic voting through www.voteproxyonline.com. Votes cast electronically are in all respects equivalent to, and will be treated in the exact same manner as, votes cast via a paper proxy form. Further details on the electronic voting process are provided in the form of proxy. Beneficial Shareholders who receive the Meeting materials through their broker or other intermediary should complete and return their form of proxy or voting information form in accordance with the instructions provided by their broker or intermediary. Shareholders are reminded to review the Circular prior to voting.

The Board has, by resolution, fixed 10:00 a.m. (EDT) on September 22, 2020, or in the event of an adjournment or postponement of the Meeting, 48 hours before the time of the adjourned or postponed Meeting (excluding Saturdays, Sundays and holidays), as the time before which proxy forms to be used or acted upon at the Meeting, or any adjournment or postponement thereof, must be deposited with the Company’s transfer agent and registrar, TSX Trust. Alternatively, a proxy form may be given to the Chair of the Meeting at which the proxy form is to be used. Late forms of proxy may be accepted or rejected by the Chair of the Meeting in his or her discretion, and the Chair is under no obligation to accept or reject any particular late form of proxy.

The Company has elected to use the “notice-and-access” mechanism provided for under National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer to deliver the Meeting materials to Shareholders, including this Notice of Annual General and Special Meeting of Shareholders, the Circular, the Annual Financial Statements and the management’s discussion and analysis (“MD&A”) for the three and twelve months ended March 31, 2020 (the “Annual MD&A”). This means that, rather than receiving paper copies of the Meeting materials in the mail, Shareholders as of the Record Date will have access to electronic copies of the Meeting materials on the Company’s website at www.canopyrivers.com/investors and under the Company’s profile on the System for Electronic Document Analysis and Retrieval at www.sedar.com. The Meeting materials will remain on the Company’s website for a period of one year.

Shareholders as of the Record Date will receive a package in the mail containing information explaining how to access and review the Meeting materials electronically and how to request a paper copy of such materials free of charge, and a proxy form or a voting instruction form so that Shareholders can vote their shares. In addition, the package will include a place to request copies of the Annual Financial Statements, the Annual MD&A and/or the Company’s interim financial statements and MD&A and a consent for electronic delivery.

Prior to the Meeting and for up to one year thereafter, those Shareholders who wish to receive paper copies of the Meeting materials may request them from TSX Trust by calling toll-free at 1-866-600-5869 or by email at TMXEInvestorServices@tmx.com. If a request for paper copies is received before the Meeting, the Meeting materials will be sent to such Shareholders at no cost within three business days of the request. If a request for paper copies is received on or after the Meeting, and within one year of the Meeting materials being filed, the Meeting materials will be sent to such Shareholders within ten calendar days after receiving the request. To receive paper copies of the Meeting materials in advance of the proxy deposit deadline, your request should be received by TSX Trust no later than September 15, 2020.

If you would like more information about “notice-and-access”, please contact TSX Trust by calling toll-free at 1-866-600-5869 or by email at TMXEInvestorServices@tmx.com.

DATED at Toronto, Ontario, this 5th day of August, 2020.

BY ORDER OF THE BOARD OF DIRECTORS

GENERAL INFORMATION FOR THE MEETING

Time, Date and Place of Meeting

This management information circular (the “Circular”) is provided in connection with the solicitation, by or on behalf of the management of Canopy Rivers Inc. (the “Company”), of proxies for use at the Company’s annual general and special meeting (the “Meeting”) of the holders (collectively, the “Shareholders” or, individually, a “Shareholder”) of subordinated voting shares (the “Subordinated Voting Shares”) and multiple voting shares (the “Multiple Voting Shares” and, together with the Subordinated Voting Shares, the “Shares”) of the Company, to be held at the offices of the Company at 40 King Street West, Suite 2504, Toronto, Ontario, M5H 3Y2 on September 24, 2020, at 10:00 a.m. (EDT) for the purposes set forth in the accompanying notice of meeting (the “Notice”). References in this Circular to the Meeting include any adjournment or postponement thereof.

Date of Information

Unless otherwise stated herein, the information contained in this Circular is given as of August 5, 2020. Information set forth herein as to shareholdings is based upon information supplied by the respective persons holding such Shares.

Currency

In this Circular, all references to dollar amounts are to Canadian dollars.

Record Date

The Company has fixed the close of business on August 4, 2020, as the record date (the “Record Date”) for the purposes of determining Shareholders entitled to receive the Notice and to vote at the Meeting. Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting (subject, in the case of voting by proxy, to the timely deposit of a properly completed, signed and dated form of proxy with the Company’s registrar and transfer agent, TSX Trust Company (“TSX Trust”), as specified herein and in the Notice).

All Shareholders of record at the close of business on the Record Date are entitled to vote the Shares registered in such Shareholder’s name at that date on each matter to be acted upon at the Meeting. The failure of any Shareholder to receive a copy of the Notice does not deprive a Shareholder of the right to vote at the Meeting.

Quorum

The quorum for the Meeting is two persons present in person and holding or representing by proxy not less than 20% of the votes attached to all Shares entitled to be voted at the Meeting.

Notice-and-Access

This year, the Company has elected to use the “notice-and-access” provisions provided for under National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”) to deliver the Meeting materials to Shareholders, including the Notice, this Circular and the Company’s audited consolidated financial statements for the financial years ended March 31, 2020 and 2019 (the “Annual Financial Statements”) and the management’s discussion and analysis (“MD&A”) for the three and twelve months ended March 31, 2020 (the “Annual MD&A”). This means that, rather than receiving paper copies of the Meeting materials in the mail, Shareholders as of the Record Date will have access to electronic copies of the Meeting materials on the Company’s website at www.canopyrivers.com/investors and under the Company’s profile on the System for Electronic Document Analysis and Retrieval (“SEDAR”) at www.sedar.com. The Meeting materials will remain on the Company’s website for a period of one year.

Shareholders will receive a package in the mail containing information explaining how to access and review the Meeting materials electronically and how to request a paper copy of such materials free of charge, and a proxy form or a voting instruction form (“VIF”) so Shareholders can vote their Shares. In addition, the package will include a place to request copies of the Annual Financial Statements, the Annual MD&A and/or the Company’s interim financial statements and MD&A and a consent for electronic delivery. The Company believes that notice-and-access will substantially reduce printing, paper and postage costs and is a more environmentally friendly and cost-effective way to distribute the Meeting materials to Shareholders.
Prior to the Meeting and for up to one year thereafter, those Shareholders who wish to receive paper copies of the Meeting materials may request them from TSX Trust by calling toll-free at 1-866-600-5869 or by email at TMXEInvestorServices@tmx.com. If a request for paper copies is received before the Meeting, the Meeting materials will be sent to such Shareholders at no cost within three business days of the request. If a request for paper copies is received on or after the Meeting, and within one year of the Meeting materials being filed, the Meeting materials will be sent to such Shareholders within ten calendar days after receiving the request. To receive paper copies of the Meeting materials in advance of the proxy deposit deadline, your request should be received by TSX Trust no later than September 15, 2020.

If you would like more information about “notice-and-access”, please contact TSX Trust by calling toll-free at 1-866-600-5869 or by email at TMXEInvestorServices@tmx.com.

COVID-19

While as of the date of this Circular, the Company intends to hold the Meeting as set out above, it is continuously monitoring the current public health crisis resulting from the global spread of the novel coronavirus (“COVID-19”). In light of the rapidly evolving situation resulting from the COVID-19 outbreak, the Company asks that Shareholders follow the current instructions and recommendations of federal, provincial and local health authorities when considering attending the Meeting. While it is not known what the situation with COVID-19 will be on the date of the Meeting, the Company will follow the guidance and orders of government and public health authorities in that regard, including those restricting the size of public gatherings in order to support efforts to reduce the impact and spread of COVID-19. As such, in order to mitigate risks to the health and safety of its Shareholders, employees, directors and other stakeholders, the Company is urging all Shareholders to vote by proxy in advance of the Meeting and is discouraging physical attendance in person at the Meeting. In order to adhere to all government and public health authority recommendations, the Company notes that the Meeting will be limited to only the legal requirements for Shareholder meetings with no investor presentation, and guests will not be permitted entrance unless legally required. The Meeting will not be open to the general public and will be limited to registered Shareholders and duly appointed proxyholders only.

Shareholders may access and ask questions at the Meeting by way of a live conference call and webcast, which will give all Shareholders an equal opportunity to access the Meeting regardless of their geographic location. Details regarding accessing the conference call and webcast are available on the Company’s website at www.canopyrivers.com/investors. Please monitor the Company’s website for additional information and instructions. Please note that Shareholders will not be able to vote on matters to be addressed at the Meeting through the conference call or webcast.

The Company reserves the right to take any additional precautionary measures that it deems necessary or advisable in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak, including changing the time, date or location of the Meeting. Changes to the Meeting time, date or location and/or means of holding the Meeting may be announced by way of press release. Please monitor the Company’s press releases as well as its website at www.canopyrivers.com. The Company does not intend to prepare or mail an amended management information circular in the event of changes to the Meeting format.

Solicitation of Proxies

The enclosed form of proxy is being solicited by the management of the Company for use at the Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other means of communication by the directors, officers and employees of the Company, none of whom will be specifically remunerated therefor. The cost of any such solicitation will be borne by the Company.

In accordance with NI 54-101, the Company has made arrangements to distribute copies of the Meeting materials to intermediaries or their nominees (collectively, the “Intermediaries” or, individually, an “Intermediary”) (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans, Registered Retirement Income Funds, Deferred Profit Sharing Plans, Registered Education Savings Plans and similar plans) for distribution to Beneficial Shareholders (as defined herein) and such Intermediaries are required to forward the Meeting materials to each Beneficial Shareholder (unless the Beneficial Shareholder has declined to receive such materials). The Company is
paying Broadridge (as defined herein) to deliver, on behalf of the Intermediaries, a copy of the Meeting materials to each Beneficial Shareholder.

All references to Shareholders in this Circular, the accompanying form of proxy and the Notice are to registered Shareholders unless specifically noted otherwise.

**Appointment and Revocation of Proxies**

The individuals named as proxyholders in the form of proxy accompanying this Circular are representatives of the Company’s management. A **Shareholder who wishes to appoint another person (who need not be a Shareholder) as his or her representative at the Meeting may do so by either**: (a) crossing out the names of the designated proxyholders and printing the appointee of their choice in the blank space provided for that purpose in the proxy form or VIF; or (b) completing another valid form of proxy. In either case, the completed form of proxy must be delivered to TSX Trust at the place and within the time limits specified herein for the deposit of proxies. A Shareholder who appoints a proxy other than the designated proxyholders should notify their chosen proxyholder(s), obtain his or her consent to act as proxy, and provide instructions to such proxyholder on how the Shareholder’s Shares are to be voted. The proxy appointee should bring personal identification to the Meeting. In all cases the form of proxy should be dated and executed by a Shareholder or an attorney duly authorized in writing (with proof of such authorization attached, in the case where an appointed attorney has executed the form of proxy).

A form of proxy will not be valid for the Meeting or any adjournment or postponement thereof unless it is completed and delivered to the Company c/o TSX Trust at 301 – 100 Adelaide Street West, Toronto, Ontario, M5H 4H1, by courier or mail, by fax at 1-416-595-9593, or by electronic voting through www.voteproxyonline.com, in each case by 10:00 a.m. (EDT) on September 22, 2020, or in the event of an adjournment or postponement of the Meeting, 48 hours before the time of the adjourned or postponed Meeting (excluding Saturdays, Sundays and holidays). Votes cast electronically are in all respects equivalent to and will be treated in the exact same manner as, votes cast via a paper proxy form. Further details on the electronic voting process are provided in the form of proxy. Alternatively, a proxy form may be given to the Chair of the Meeting at which the proxy form is to be used. Late forms of proxy may be accepted or rejected by the Chair of the Meeting in his or her discretion, and the Chair is under no obligation to accept or reject any particular late form of proxy.

A **Shareholder who has given a proxy may revoke it, any time before it is exercised, by either**: (a) attending the Meeting and voting in person if such Shareholder was a registered Shareholder at the close of business on the Record Date; (b) signing and delivering a form of proxy bearing a later date; (c) preparing an instrument in writing executed by such Shareholder or by his or her attorney authorized in writing, or if the Shareholder is a corporation, by an officer or attorney thereof duly authorized, and depositing it at the registered office of the Company (Canopy Rivers Inc., 40 King Street West, Suite 2504, Toronto, Ontario, M5H 3Y2. Attention: Chief Strategy Officer and General Counsel); or (d) in any other manner permitted by law.

A **form of proxy will only be revoked if a revocation is received by 4:00 p.m. (EDT) on the last business day before the Meeting, or any adjournment or postponement thereof, or delivered to the Chair of the Meeting before it commences. If a registered Shareholder revokes a form of proxy and does not replace it with another form of proxy that is deposited with TSX Trust before the proxy deadline, such Shareholder can still vote its Shares, but to do so the registered Shareholder must attend the Meeting in person.**

**Voting of Proxies**

The persons named in the form of proxy are officers of the Company that have been selected by the directors of the Company and that have indicated their willingness to represent Shareholders that appoint them as proxy. Each Shareholder may instruct his or her proxy on how to vote his or her Shares by completing the blanks on the form of proxy.

Shares represented by properly executed forms of proxy in favour of the person designated on the form of proxy will be voted or withheld from voting in accordance with the instructions given on the form of proxy and if a Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. In the absence of such instructions, such Shares will be voted **FOR** the approval of all resolutions in this Circular.
The form of proxy confers discretionary authority upon the persons named therein with respect to amendments and variations to matters identified in the Notice and this Circular and with respect to any other matters which may properly come before the Meeting. As of the date hereof, management of the Company knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxyholder.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to Shareholders who do not hold Shares in their own name (“Beneficial Shareholders”).

Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Company as of the Record Date as the registered Shareholders can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Shares will not be registered in such Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the name of the Shareholder’s Intermediary. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities), which acts as a nominee for many Canadian brokerage firms. Shares held by Intermediaries can only be voted (for, withheld or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Shares for their clients.

The directors and officers of the Company do not know for whose benefit the Shares registered in the name of CDS & Co. are held.

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every Intermediary has its own mailing procedures and provides its own return voting instructions, which should be carefully followed by Beneficial Shareholders to ensure that their Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the proxy form provided by the Company to the Intermediaries. However, its purpose is limited to instructing the Intermediary on how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions on how to vote from clients to Broadridge Investor Communications Corporation (“Broadridge”). Broadridge typically mails a form of proxy or VIF to the Beneficial Shareholders and asks the Beneficial Shareholders to return the form of proxy or VIF to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial Shareholder receiving a form of proxy or VIF from Broadridge cannot use that form of proxy or VIF to vote Shares directly at the Meeting. The form of proxy or VIF must be returned to Broadridge or the Intermediary well in advance of the Meeting to have the Shares voted. A Beneficial Shareholder may revoke a form of proxy or VIF or a waiver of the right to receive Meeting materials and to vote which has been given to their Intermediary at any time by written notice to the Intermediary, provided that the Intermediary is not required to act on a revocation of a form of proxy or VIF or of a waiver of the right to receive Meeting materials and to vote, which is not received by the Intermediary at least seven days prior to the Meeting. If you have any questions regarding the voting of Shares held through a broker or other Intermediary, please contact your broker or other Intermediary for assistance.

In accordance with the requirements of NI 54-101, the Company is using notice-and-access to send proxy-related materials for use in connection with the Meeting to Beneficial Shareholders using the “indirect” sending procedures set out in NI 54-101. Accordingly, the Company has distributed copies of the Meeting materials to Broadridge to deliver, on behalf of the Intermediaries, to the Beneficial Shareholders.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

See “Business of Meeting – Election of Directors”, “Business of Meeting – Approval of the RSU Plan Resolution” and “Business of Meeting – Approval of the LTIP Resolution”.

Notes:
(1) All percentages are calculated on a non-diluted basis.
(2) While CGC only owns approximately 26.9% of the outstanding Shares, due to the voting rights associated with the Multiple Voting Shares, CGC controls approximately 84.1% of the voting rights attached to the outstanding Shares.
(3) 24,333,334 Subordinated Voting Shares are held by JW Partners, LP, 9,000,000 Subordinated Voting Shares are held by JW Opportunities Master Fund, Ltd., 70,000 Subordinated Voting Shares are held by JW Growth Fund, LLC, and 30,000 Subordinated Voting Shares are held by Insight Wellness Fund, LLC, each of which is controlled or directed by JW Asset Management, LLC.
(4) While JW Asset Management, LLC owns approximately 17.4% of the outstanding Shares, due to the voting rights associated with the Multiple Voting Shares, JW Asset Management, LLC only controls approximately 3.8% of the voting rights attached to the outstanding Shares.

Under applicable Canadian securities laws, an offer to purchase Multiple Voting Shares would not necessarily require that an offer be made to purchase Subordinated Voting Shares. In accordance with the rules of the Toronto Stock Exchange (“TSX”), in order to ensure that, in the event of a take-over bid where an offer is made for the Multiple Voting Shares, the holders of Subordinated Voting Shares will be entitled to participate on an equal footing with holders of Multiple Voting Shares, CGC, as the sole holder of the outstanding Multiple Voting Shares, the Company and TSX Trust entered into a coattail agreement dated September 17, 2018 (the “Coattail Agreement”). The Coattail Agreement contains provisions customary for dual class, TSX-listed corporations designed to prevent transactions that would otherwise deprive the holders of Subordinated Voting Shares of rights under the take-over bid provisions of applicable Canadian securities laws that they would have been entitled to if the Multiple Voting Shares had been Subordinated Voting Shares.

The foregoing description is a summary of the material terms of the Coattail Agreement. Reference should be made to the full text of the Coattail Agreement, which is available for review under the Company’s profile on SEDAR at www.sedar.com.

(“Subco”), a new wholly-owned subsidiary of the Company; (ii) the Company issued one Subordinated Voting Share in exchange for each Class B common share of CRC PrivateCo then held by CRC PrivateCo shareholders; (iii) the Company issued one Multiple Voting Share in exchange for each Class A common share of CRC PrivateCo then held by CRC
PrivateCo shareholders; and (iv) Subco amalgamated with CRC PrivateCo and the resulting entity became a wholly-owned subsidiary of the Company and continued under the name “Canopy Rivers Corporation”.

Upon completion of the Qualifying Transaction, former shareholders of CRC PrivateCo became Shareholders, the former directors and officers of the Company resigned and new directors and officers of the Company were appointed, and the Company assumed the business operations of CRC PrivateCo.

The Subordinated Voting Shares trade on the TSX under the ticker symbol “RIV”. The registered and head office of the Company is located at 40 King Street West, Suite 2504, Toronto, Ontario, M5H 3Y2. Cease Trade Orders, Bankruptcies, Penalties or Sanctions

To the knowledge of the Company, no Nominee is, as at the date hereof, or has been, within the 10 years before the date hereof, a director, CEO or CFO of any company (including the Company) that:

(a) was subject to a cease trade or similar order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days and that was issued while the Nominee was acting in the capacity of director, CEO or CFO; or

(b) was subject to a cease trade or similar order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after the Nominee ceased to be a director, CEO or CFO and which resulted from an event that occurred while that person was acting in the capacity of a director, CEO or CFO.

To the knowledge of the Company, no Nominee:

(a) is, as at the date hereof, or has been, within the 10 years before the date hereof, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

To the knowledge of the Company, as at the date hereof, no Nominee has been subject to:

(a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or

(b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a Nominee.

Majority Voting Policy

The TSX requires listed companies to adopt a majority voting policy with respect to uncontested elections of directors, unless it is otherwise exempt. A majority voting policy generally provides that a director who has received a majority of withhold votes must tender his or her resignation immediately after the applicable meeting of shareholders, with such resignation to be effective upon acceptance by the board of directors. Listed companies that are "majority controlled" are exempt from this policy. The Company is majority controlled given that, as of the Record Date, CGC owns voting securities carrying approximately 82.4% of the voting rights attached to all issued and outstanding Shares. The Board has determined that a majority voting policy is not beneficial given that CGC could cast a majority of the votes in an election of the directors. Accordingly, the Company is relying on this majority-controlled exemption and has not adopted a majority voting policy.

Appointment of Auditors

KPMG LLP, Chartered Professional Accountants ("KPMG"), has been the independent external auditors of the Company since October 4, 2018. At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to approve, an ordinary resolution re-appointing KPMG as auditors of the Company, to hold office until the close of the next annual meeting of Shareholders, and to authorize the Board to fix their remuneration. Additional information
with respect to the Company’s auditors can be found in the Company’s annual information form dated June 2, 2020 (the “AIF”), available under the Company’s profile on SEDAR at www.sedar.com and on the Company’s website at www.canopyrivers.com/investors.

To be effective, the resolution approving the re-appointment of KPMG as auditors of the Company until the close of the next annual meeting of Shareholders and authorizing the Board to fix their remuneration requires the affirmative vote of not less than a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting. The Board recommends that Shareholders vote FOR the re-appointment of KPMG. Shares represented by proxies in favour of the person designated on the form of proxy will be voted FOR the resolution authorizing the re-appointment of KPMG as auditors of the Company, to hold office for the ensuing year at a remuneration to be fixed by the Board, unless a Shareholder has specified in the form of proxy that his, her or its Shares are to be withheld from voting in respect thereof.

Approval of the RSU Plan Resolution

On March 18, 2020, the Board approved the Company’s share unit plan for non-employee directors (the “RSU Plan”) that provides for the issuance of restricted share units (“RSUs”) to Non-Employee Directors (as defined herein). A copy of the RSU Plan is appended hereto as Schedule “A”.

The purpose of the RSU Plan is to promote a greater alignment of long-term interests between Non-Employee Directors and Shareholders and to provide compensation for Non-Employee Directors that, together with the other director compensation mechanisms, is reflective of the responsibility, commitment and risk accompanying membership on the Board and the performance of the duties required of the various Board committees.

On March 31, 2020, an aggregate of 356,308 RSUs were granted pursuant to the RSU Plan to four Non-Employee Directors, in each case subject to the approval of the Shareholders and the TSX. The grant date market value of each Subordinated Voting Share underlying the RSUs was deemed to be $0.81, and the RSUs are redeemable in three equal instalments on each of the first three anniversaries of the grant date. The TSX has conditionally approved the RSU Plan, subject to receipt of Shareholder approval. In the event that the RSU Plan Resolution (as defined herein) does not receive the required Shareholder approval at the Meeting, the RSU Plan and all RSUs previously granted thereunder will terminate and be null and void.

The RSU Plan provides that the maximum number of Subordinated Voting Shares that may be issued or issuable under the RSU Plan shall be a number equal to 1% of the number of issued and outstanding Shares on a non-diluted basis from time to time. As at August 5, 2020, the Company had 155,502,725 Subordinated Voting Shares and 36,468,318 Multiple Voting Shares issued and outstanding (on a non-diluted basis). Accordingly, the maximum number of Subordinated Voting Shares available for issuance pursuant to the RSU Plan is 1,919,710, being 1% of the number of issued and outstanding Shares on a non-diluted basis.

As at August 5, 2020, there were 356,308 RSUs outstanding under the RSU Plan in respect of which up to 356,308 Subordinated Voting Shares may be issued, which represents 0.2% of the outstanding Shares, leaving a maximum of 1,563,402 Subordinated Voting Shares available for issuance under the RSU Plan if the RSU Plan Resolution (as defined herein) is approved at the Meeting. For a summary of additional material terms of the RSU Plan and a description of the RSUs granted thereunder prior to the Meeting, see “Securities Authorized for Issuance Under Equity Compensation Plans – RSU Plan”.

Pursuant to section 613 of the TSX Company Manual, to permit the issuance of Subordinated Voting Shares upon redemption of the outstanding RSUs and those that may be granted in the future, the Company must seek Shareholder approval at the Meeting for the RSU Plan, including all previous grants of RSUs and all unallocated RSUs issuable thereunder. Accordingly, at the Meeting, Shareholders will be asked to consider and, if deemed advisable, to approve, an ordinary resolution in the form set out below (the “RSU Plan Resolution”), subject to such amendments, variations or additions as may be approved at the Meeting, approving the RSU Plan, including all previous grants of RSUs and all unallocated RSUs issuable thereunder.

To be effective, the RSU Plan Resolution requires the affirmative vote of not less than a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting. The Board recommends that Shareholders vote FOR the RSU Plan Resolution. Shares represented by proxies in favour of the person
designated on the form of proxy will be voted FOR the RSU Plan Resolution, unless a Shareholder has specified in the form of proxy that his, her or its Shares are to be voted against the RSU Plan Resolution.

The text of the RSU Plan Resolution to be submitted to Shareholders at the Meeting is set forth below:

“IT IS HEREBY RESOLVED, THAT:

1. the share unit plan for non-employee directors (the “RSU Plan”) of Canopy Rivers Inc. (the “Company”), as more particularly described in the management information circular of the Company dated August 5, 2020 (the “Circular”), is hereby ratified, confirmed and approved and all unallocated restricted share units (“RSUs”) issuable thereunder are hereby authorized and approved;

2. the Company has the ability to continue granting RSUs under the RSU Plan until September 24, 2023, which is the date that is three years from the date of approval of the RSU Plan by the shareholders of the Company;

3. the grants to certain Non-Employee Directors (as defined in the RSU Plan) of an aggregate of 356,308 RSUs pursuant to the RSU Plan on March 31, 2020, as more particularly described in the Circular, are hereby authorized, ratified and approved to be satisfied by the issuance of subordinated voting shares of the Company from treasury; and

4. any one or more of the directors or officers of the Company is hereby authorized and directed, acting for, in the name of and on behalf of the Company, to execute or cause to be executed, under the seal of the Company or otherwise, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such other acts and things, as may in the opinion of such director or officer of the Company be necessary or desirable to carry out the intent of the foregoing resolutions, the execution of any such document or the doing of any such other act or thing by any director or officer of the Company being conclusive evidence of such determination.”

Approval of the LTIP Resolution

On August 5, 2020, the Board approved the Company’s long term incentive plan (the “LTIP”) that provides for the issuance of options, Restricted Share Units (as defined in the LTIP), performance share units (“PSUs”), Stock Appreciation Rights (as defined in the LTIP) and Restricted Stock (as defined in the LTIP) to officers, employees and other eligible service providers of the Company. A copy of the LTIP is appended hereto as Schedule “B”.

The purpose of the LTIP is to (i) promote further alignment of interests between officers, employees and other eligible service providers of the Company and Shareholders; (ii) to associate a portion of the compensation payable to officers, employees and other eligible service providers of the Company with the returns achieved by Shareholders; and (iii) to attract and retain officers, employees and other eligible service providers with the knowledge, experience and expertise required by the Company.

On August 5, 2020, an aggregate of 650,000 PSUs were granted under the LTIP to four officers of the Company and an aggregate of 560,000 PSUs were granted under the LTIP to other employees of the Company, in each case subject to the approval of the Shareholders and the TSX. The grant date market value of each Subordinated Voting Share underlying the PSUs was $0.98. The PSUs vest in three equal instalments on each of April 1, 2021, April 1, 2022, and April 1, 2023, generally subject to continued service, and, once vested, are redeemable, at the option of the holder, at any point between the vesting date and the fifth anniversary of the grant date, subject to earlier settlement in the event of termination of service. The number of PSUs that will be eligible to vest on a vesting date may be adjusted upwards based on the Subordinated Voting Share price performance between the grant date and the vesting date. The TSX has conditionally approved the LTIP, subject to receipt of Shareholder approval. In the event that the LTIP Resolution does not receive the required Shareholder approval at the Meeting, the LTIP and all PSUs previously granted thereunder will terminate and be null and void.

The aggregate number of Subordinated Voting Shares that may be issued pursuant to awards granted under the LTIP, together with all other security-based compensation arrangements of the Company, shall be a number equal to 10% of the aggregate number of issued and outstanding Shares from time to time. As at August 5, 2020, the Company had
155,502,725 Subordinated Voting Shares and 36,468,318 Multiple Voting Shares issued and outstanding (on a non-diluted basis). Accordingly, the maximum number of Subordinated Voting Shares available for issuance pursuant to the LTIP is 19,197,104, being 10% of the number of issued and outstanding Shares, less the number of awards outstanding under the Company’s other security-based compensation arrangements.

As at August 5, 2020, there were 1,210,000 PSUs outstanding under the LTIP. Therefore, together with all of the currently issued and outstanding RSUs under the RSU Plan and options under the Option Plan (as defined herein), up to 15,493,978 Subordinated Voting Shares may be issued pursuant to the Company’s security-based compensation arrangements (or 8.1% of the Shares issued and outstanding), leaving a maximum of 3,703,126 Subordinated Voting Shares available for issuance under the LTIP if the LTIP Resolution is approved at the Meeting. For a summary of additional material terms of the LTIP and a description of the PSUs granted prior to the Meeting, see “Securities Authorized for Issuance Under Equity Compensation Plans – LTIP”.

Pursuant to section 613 of the TSX Company Manual, to permit the issuance of Subordinated Voting Shares upon redemption of the outstanding PSUs and those that may be granted in the future, the Company must seek Shareholder approval at the Meeting for the LTIP, including all previous grants of PSUs and all unallocated awards issuable thereunder. Accordingly, at the Meeting, Shareholders will be asked to consider and, if deemed advisable, to approve, an ordinary resolution in the form set out below (the “LTIP Resolution”), subject to such amendments, variations or additions as may be approved at the Meeting, approving the Company’s LTIP, including all previous grants of PSUs and all unallocated awards issuable thereunder.

To be effective, the LTIP Resolution requires the affirmative vote of not less than a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting. The Board recommends that Shareholders vote FOR the LTIP Resolution. Shares represented by proxies in favour of the person designated on the form of proxy will be voted FOR the LTIP Resolution, unless a Shareholder has specified in the form of proxy that his, her or its Shares are to be voted against the LTIP Resolution.

The text of the LTIP Resolution to be submitted to Shareholders at the Meeting is set forth below:

“IT IS HEREBY RESOLVED, THAT:

(1) the long term incentive plan (the “LTIP”) of Canopy Rivers Inc. (the “Company”), as more particularly described in the management information circular of the Company dated August 5, 2020 (the “Circular”), is hereby ratified, confirmed and approved and all unallocated Options, Restricted Share Units, Performance Share Units, Stock Appreciation Rights and Restricted Stock (as such terms are defined in the LTIP) or such other awards as may be permitted by the LTIP issuable thereunder are hereby authorized and approved;

(2) the Company has the ability to continue granting Options, Restricted Share Units, Performance Share Units, Stock Appreciation Rights and Restricted Stock under the LTIP until September 24, 2023, which is the date that is three years from the date of approval of the LTIP by the shareholders of the Company;

(3) the grants to certain Participants (as defined in the LTIP) of an aggregate of 1,210,000 Performance Share Units pursuant to the LTIP on August 5, 2020, as more particularly described in the Circular, are hereby authorized, ratified and approved to be satisfied by the issuance of subordinated voting shares of the Company from treasury; and

(4) any one or more of the directors or officers of the Company is hereby authorized and directed, acting for, in the name of and on behalf of the Company, to execute or cause to be executed, under the seal of the Company or otherwise, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such other acts and things, as may in the opinion of such director or officer of the Company be necessary or desirable to carry out the intent of the foregoing resolutions, the execution of any such document or the doing of any such other act or thing by any director or officer of the Company being conclusive evidence of such determination.”
EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this compensation discussion and analysis is to describe and explain the Company’s executive compensation strategy, philosophy, objectives and processes and to discuss decisions made by the Company during the financial year ended March 31, 2020 (“Fiscal 2020”) to determine the compensation of the Company’s CEO, CFO and three other most highly compensated executive officers (collectively, the “NEOs”).

The NEOs of the Company for Fiscal 2020 were:

- Narbe Alexandrian – President and CEO;
- Bruce Linton – former CEO, director and Chair of the Board;
- Edward Lucarelli – CFO;
- Olivier Dufourmantelle – Chief Operating Officer; and
- Matthew Mundy – Chief Strategy Officer and General Counsel.

Compensation, Nominating and Governance Committee

The CNG Committee is constituted by the Board to assist the Board with fulfilling its corporate governance responsibilities under applicable laws, to promote a culture of integrity throughout the Company, to assist the Board in setting director and executive officer compensation and to develop and submit to the Board recommendations with respect to other employee benefits as it sees fit.

As of the date of this Circular, the CNG Committee is composed of three directors: Ms. Daniere (Chair), Mr. Mavrinac and Mr. Bell. The Board has determined that each member of the CNG Committee is independent within the meaning of National Instrument 52-110 – Audit Committees (“NI 52-110”), other than Mr. Bell. Each of the CNG Committee members has prior experience with corporate governance and determining compensation plans and levels in other organizations. For a general description of the CNG Committee members’ relevant education and experience, see “Business of Meeting – Election of Directors – Director Biographies”.

Objectives and General Principles of the Company’s Compensation Program

The Company’s compensation program is designed to achieve the following objectives and general principles: (i) establish sound corporate governance practices that are in the best interest of Shareholders and that contribute to effective and efficient decision-making; (ii) offer competitive compensation to attract, retain and motivate qualified executives to best allow the Company to meet its goals; and (iii) act in the best interests of the Company and the Shareholders through a fiscally prudent approach.

Guided by these objectives and principles, the CNG Committee annually reviews, approves and recommends to the Board for approval the remuneration of the senior executives of the Company, namely, any executives in the offices (as applicable) of the CEO, President, CFO, Chief Strategy Officer, General Counsel, Chief Operating Officer, Vice Presidents and any senior executives of the Company having comparable positions as may be specified by the Board (collectively, the “Senior Executives”), including the various elements of Senior Executive remuneration. The remuneration of the Senior Executives other than the CEO is reviewed by the CNG Committee in consultation with the CEO, and is designed to reward both individual and corporate performance as described below.

Compensation Consultants

The CNG Committee may periodically engage a third-party consultant to review and advise the CNG Committee on Senior Executive and director compensation, including a compensation peer review.

On April 1, 2019, the CNG Committee engaged Gallagher Benefit Services (Canada) Group Inc. (“Gallagher”), a third-party compensation consultant. During Fiscal 2020, Gallagher assisted the Board with determining the compensation of the Company’s directors and Senior Executives. Its mandate included working with the Board to
develop an executive compensation philosophy, setting an approach to benchmarking Senior Executive and director compensation, the development of an annual incentive structure, and advising on equity-based compensation. In addition, Gallagher’s benefits division works with the Company’s management on its group benefits program.

On November 14, 2019, the CNG Committee engaged Hugessen Consulting (“Hugessen” and, together with Gallagher, the “Compensation Consultants”), a third-party compensation consultant, to provide independent advice on the competitiveness and effectiveness of the Company’s compensation programs for its Senior Executives. In fulfilling its mandate, Hugessen (i) conducted comprehensive reviews of the Company’s compensation practices, plans and policies, including its incentive plans, (ii) provided compensation research and data, and education on emerging trends and best practices, (iii) assisted with the development of compensation peer groups and the performance of an in-depth compensation peer review, and (iv) provided recommendations regarding Senior Executive compensation on a go-forward basis, including with respect to the RSU Plan and LTIP and the terms of the awards to be granted thereunder. Hugessen does not provide any services directly to management of the Company.

Each of the Compensation Consultants is independent of management and all work conducted by the Compensation Consultants was pre-approved by the CNG Committee. The CNG Committee took the reports and recommendations of the Compensation Consultants into consideration when assessing director and Senior Executive compensation, but ultimately made its own decisions and recommendations for the Board to approve.

Executive Compensation – Related Fees

How the Company Determines Compensation

The Role of the Compensation, Nominating and Governance Committee

The CNG Committee is responsible for, among other things, reviewing and making recommendations to the Board with respect to the remuneration of the Senior Executives and directors of the Company. In doing so, the CNG Committee may use information gathered from an independent compensation consultant, if engaged, a comparison of the Company’s remuneration policies with the remuneration practices of its peers in the cannabis and financial services industries with a similar market capitalization to the Company, its own assessment of individual and corporate performance, and feedback from the CEO in order to establish compensation strategies for the Senior Executives. The CNG Committee also reviews, approves and recommends to the Board for approval and administers the Company’s share-based compensation plans, including the Company’s amended and restated option plan (the “Option Plan”), the RSU Plan and the LTIP. The compensation of all of the Senior Executives is reviewed annually by the CNG Committee and is subject to review and approval by the Board. The Board has the ultimate discretion to increase or decrease any and all elements of compensation for the Senior Executives.

With respect to employees below the level of the Senior Executives, the CEO, in consultation with the CFO and the respective Senior Executive responsible for each employee’s functional area, has the authority to approve
compensation strategies. However, the CNG Committee is responsible for recommending actions to the Board related to other aspects of these employees’ compensation, such as bonus plans and grants pursuant to the Option Plan and LTIP.

During Fiscal 2020, the Board accepted all of the recommendations of the CNG Committee. The CNG Committee has full discretion to adopt or alter management recommendations or to consult its own external advisors. The CNG Committee believes it is important to follow appropriate governance practices in carrying out its responsibilities with respect to the development and administration of executive compensation and benefit programs. Governance practices followed by the CNG Committee include holding in-camera sessions without management present and, when necessary, obtaining advice from external consultants.

The Role of Management

Mr. Alexandrian, the President and CEO of the Company, plays an important role in the compensation decision-making process for other Senior Executives. The CNG Committee engages in active discussions with Mr. Alexandrian regarding the determination of performance objectives, including individual performance objectives, for other Senior Executives, and whether, and to what extent, objectives for the previous year have been achieved for those individuals. Mr. Alexandrian also submits a self-assessment of his own individual performance objectives and/or results achieved to the CNG Committee.

Mr. Alexandrian makes recommendations to the CNG Committee regarding the amount and type of compensation awards for other Senior Executives. Other than individual and corporate goal setting and performance benchmarking, Mr. Alexandrian does not engage in discussions with the CNG Committee regarding his own compensation. The CNG Committee makes its own determination regarding Mr. Alexandrian’s compensation, including his entitlement to be paid an annual long or short-term incentive bonus, guided by an assessment of whether the Company met or exceeded its corporate performance objectives for the year in question and Mr. Alexandrian’s success in meeting his individual performance objectives. The CNG Committee then makes a recommendation to the Board with respect to Mr. Alexandrian’s compensation.

The CNG Committee has in-camera discussions to complete an independent assessment of the performance of Mr. Alexandrian and the other Senior Executives, the latter of which is informed by Mr. Alexandrian’s recommendations and input. The CNG Committee then determines the overall individual performance rating for Mr. Alexandrian, and provides feedback with respect to Mr. Alexandrian’s recommendations regarding the compensation of the other Senior Executives, and considers this before making a recommendation to the Board on Senior Executive compensation.

Peer Groups

In order to assist the CNG Committee in determining the key elements and the level of compensation for Senior Executives and directors, the CNG Committee considers Senior Executive and director compensation in comparison to broad peer groups of companies, with an emphasis on the cannabis and financial services industries. This process helps the CNG Committee ensure that Senior Executive and director compensation and benefits packages, as applicable, are competitive and aligned with those companies in its peer groups.

During Fiscal 2020, the CNG Committee worked with Hugessen to develop peer groups for the Company for Senior Executive compensation benchmarking purposes. The Company’s peer groups for Fiscal 2020 were selected based on the following criteria:

- **Geographic location** – including companies with Canadian headquarters;
- **Size** – using market capitalization (at the time of the review) as the primary size scoping criteria; and
- **Industry** – one peer group focused on publicly-traded cannabis companies and the other on financial services companies.

Based on the above criteria, the CNG Committee considered the following issuers to be part of the Company’s peer groups for purposes of its Fiscal 2020 Senior Executive compensation peer review:
In its analysis of the appropriate level and components of compensation for the Senior Executives, Hugessen collected and summarized, and the CNG Committee considered the summary of, the compensation practices of the companies noted above. The CNG Committee evaluated competitive pay between the approximate medians and all quartiles of the peer groups.

Corporate Performance

On an annual basis, the Board reviews a strategic plan and budget outlining the Company’s corporate objectives in line with the Company’s key long-term strategies for growth and value creation. The CNG Committee also performs an assessment of the Company’s corporate performance, taking into account a number of qualitative and/or quantitative factors, including achievement of financial targets, investment and share price performance and progress on key corporate and strategic initiatives. These quantitative and qualitative objectives are considered by the CNG Committee when making compensation recommendations to the Board for the Senior Executives.

At the end of each financial year, the CNG Committee reviews the results achieved by the Company and discusses them with the CEO. For the purposes of compensation deliberations, the CNG Committee reviews the Company’s actual corporate performance relative to an expected level of performance. The Company’s overall corporate performance provides context for the CNG Committee’s review of individual performance by the Senior Executives.

Individual Performance

At the beginning of each fiscal year, each Senior Executive, other than the CEO, sets individual performance objectives in consultation with the CEO, and the CEO sets individual performance objectives in consultation with the CNG Committee. As with the Company’s corporate objectives, these individual performance objectives include a combination of quantitative and qualitative measures, and are aimed at advancing the Company’s corporate objectives as well as its operating, financial and strategic position in the marketplace for the current and future fiscal years. At the end of each fiscal year, the individual performance of each Senior Executive is evaluated by the CEO and/or CNG Committee, as applicable, against such objectives, and the Senior Executive is assigned an overall individual performance rating that is considered by the CNG Committee when making compensation recommendations to the Board for the Senior Executives.

Each Senior Executive’s compensation is also generally considered in relation to other Senior Executives and employees as well as in relation to the compensation practices of the Company’s peer group issuers in order to establish compensation levels. The difference between one Senior Executive’s compensation to that of another Senior Executive reflects, in part, the difference in their relative responsibilities.

Elements of Compensation

The Company’s compensation program for the Senior Executives is comprised of the following four primary elements:

(1) base salary;

(2) short-term incentives, primarily in the form of an annual performance cash bonus;
long-term incentives through participation in the Option Plan and LTIP, which are described in this Circular under the headings “Securities Authorized for Issuance Under Equity Compensation Plans – Option Plan” and “Securities Authorized for Issuance Under Equity Compensation Plans – LTIP”; and

other perquisites and benefits.

Each element plays a role in meeting the Company’s compensation goals and objectives. The allocation of compensation among these different compensation elements is flexible and is intended to reflect market practice as well as the CNG Committee’s assessment of corporate and individual performance, as described above. The CNG Committee understands that retention of the Senior Executives is critical to business continuity, and the mix of compensation is designed to reward short-term results and motivate long-term performance.

**Determining Each Element of Compensation**

Each of the four elements of Senior Executive compensation is determined as follows:

**Base Salary**

The base salary for each Senior Executive is determined based on his or her responsibilities and individual performance factors, the Company’s overall corporate performance, benchmark data, compensation consultant recommendations, as applicable, and other assessments as determined by the CNG Committee and, for non-CEO Senior Executives, in conjunction with the CEO, and then is recommended to the Board for final approval. Similarly, the CEO, in consultation with the CFO and the respective Senior Executive responsible for each employee’s functional area, take into account other employees’ responsibilities and individual performance factors, the Company’s overall corporate performance and other assessments when determining base salary for other employees.

The base salaries for Senior Executives and other employees are reviewed annually by the CNG Committee or Senior Executives, as applicable, and are generally established at the beginning of the fiscal year. Base salary is considered as a part of the overall compensation package and is intended to attract and adequately remunerate the Senior Executives and other employees for properly fulfilling the minimum requirements of their position. Base salary provides compensation certainty to the Senior Executives and other employees and allows them to make decisions that are beneficial to the Company, or its stakeholders, independent of considering the impact such decisions might have on their compensation that is tied to either short-term or long-term corporate performance.

**Short-Term Incentives**

The Company provides short-term incentives to the Senior Executives and other employees through eligibility for annual performance cash bonuses. Each Senior Executive and other employee is eligible to receive a cash bonus which, if applicable, is paid following the determination of the Company’s annual financial results. The annual performance cash bonus for Senior Executives is reviewed and approved by the CNG Committee and then recommended to the Board for final approval.

Corporate performance and individual performance, as described above, are taken into consideration when determining short-term incentives for the Senior Executives. For Fiscal 2020, 40% of the annual performance cash bonus for both the Senior Executives and other employees was allocated to corporate performance and 60% was allocated to individual performance. Annual performance cash bonuses may not be paid if corporate and/or individual performance objectives are not achieved. While annual performance cash bonuses are generally paid if corporate and/or individual performance objectives are achieved, the Board may, in its discretion, determine not to award any annual cash bonuses even if such objectives are achieved. Senior Executives are eligible to receive a cash bonus of up to 100% of their base salaries.

The CNG Committee attempts to align the corporate and individual performance objectives of the Senior Executives with those that the CNG Committee believes will enhance future Shareholder value. In Fiscal 2020, the key corporate performance objectives were based on: achievement of financial targets, investment and share price performance and progress on key corporate and strategic initiatives. Individual performance objectives vary based on the role and responsibilities of each Senior Executive.
From time to time, the CNG Committee may change the Company’s corporate performance objectives in order to provide continued incentives to Senior Executives and other employees throughout the year, if it becomes clear that these objectives as originally outlined are unachievable as a result of external factors beyond the control of the Senior Executives.

**Long-Term Incentives**

Long-term incentives for Senior Executives are reviewed and approved by the CNG Committee and then recommended to the Board for final approval. Historically, the Company provided long-term incentive compensation to the Senior Executives and other employees by granting options under the Option Plan. However, no options were granted to Senior Executives during Fiscal 2020, other than options granted as part of Fiscal 2019 compensation and options granted to Mr. Alexandrian in connection with his appointment as CEO.

In the past, the Board has determined that the grant of options to Senior Executives and other employees pursuant to the Option Plan may be desirable insofar as it encourages the attraction and retention of both current and potential employees and Senior Executives by affording them the opportunity to acquire a proprietary interest in the Company. Options tie pay to performance because the value of the options when they vest is based solely on the Subordinated Voting Share price at that time. Accordingly, declines in Subordinated Voting Share price have a negative impact on compensation, while increases have a positive impact. In addition, the three-year annual vesting period for options typically used by the Company in connection with the grant of options serves as a retention tool for the Senior Executives and other employees. If the LTIP receives final TSX and Shareholder approval, the Company intends to cease issuing options pursuant to the Option Plan and to instead only issue options pursuant to the LTIP going forward.

The Board has also determined that the grant of PSUs and other awards to Senior Executives and other employees pursuant to the LTIP may be desirable insofar as it encourages the attraction and retention of both current and potential employees and Senior Executives by affording them a proprietary interest in the Company. PSUs tie pay to performance because the value of the PSUs is based on the Subordinated Voting Share price and the number of PSUs that will be eligible to vest on a vesting date may be adjusted upwards based on the Subordinated Voting Share price performance between the grant date and the vesting date. Accordingly, declines in Subordinated Voting Share price have a negative impact on compensation, while increases have a positive impact. In addition, the three-year annual vesting period for the PSUs issued to the NEOs as part of their compensation for Fiscal 2021 (as defined herein), as well as the other vesting conditions that may be set out in the award agreement for other awards granted to Senior Executives and other employees pursuant to the LTIP, serves as a retention tool for the Senior Executives and other employees.

For a more detailed description of the considerations involved in granting options and PSUs, see “Option-Based Awards” and “PSU Awards” below.

**Other Perquisites and Benefits**

The Company provides a benefit plan to its Senior Executives, which includes health, medical and insurance benefits, along with a health spending account and wellness benefit. The Company believes its benefits program is reasonable and consistent with its overall executive compensation program and is based on competitive market practices. These perquisites are afforded to all employees of the Company.

**Compensation Plan Changes for Fiscal 2021**

The Company has implemented the following compensation changes for the financial year ended March 31, 2021 ("Fiscal 2021"):  

1. **Base Salary:**
   - No changes were made to the NEOs’ base salaries for Fiscal 2021.

2. **Short-Term Incentives:**
   - For Fiscal 2021, 75% of the NEOs’ annual cash bonuses will be allocated to corporate performance, including 25% allocated to the achievement of the Company’s targeted normalized operating expense
budget and 50% allocated to specific performance targets relating to the trading price of the Subordinated Voting Shares during Fiscal 2021, and 25% will be allocated to individual performance. Subject to the discretion of the Board, if the Company does not achieve its targeted normalized operating expense budget, no annual cash bonuses will be payable to the NEOs for Fiscal 2021. No other changes were made to the Company’s short-term incentives, which will continue to be based on the NEOs’ responsibilities, individual and overall corporate performance during the year, benchmark data, the recommendation of a compensation consultant, if applicable, and the assessment of such individuals as determined by the CNG Committee and, for non-CEO Senior Executives, in conjunction with the CEO.

(3) **Long-Term Incentives:**

- Subject to final TSX and Shareholder approval of the LTIP, the Company has granted PSUs pursuant to the LTIP to the NEOs as part of their long-term incentive compensation for Fiscal 2021. If the LTIP receives final TSX and Shareholder approval, the Company intends to cease issuing options pursuant to the Option Plan, and expects that any options and other awards will be issued pursuant to the LTIP going forward. No other changes were made to the Company’s long-term incentives, which will continue to be based on the NEOs’ responsibilities, individual and overall corporate performance during the year, benchmark data, the recommendation of a compensation consultant, if applicable, and the assessment of such individuals as determined by the CNG Committee and, for non-CEO Senior Executives, in conjunction with the CEO.

(4) **Other Perquisites and Benefits:**

- No changes were made to perquisites and benefits for Fiscal 2021.

**Performance Graph**

The following graph compares the total cumulative Shareholder return for $100 invested in Subordinated Voting Shares with (i) the S&P/TSX Composite Index and (ii) the Horizons Marijuana Life Sciences Index ETF, in each case for the period commencing February 14, 2018 and ending March 31, 2020, assuming the reinvestment of all dividends.
The Company completed the Qualifying Transaction on September 17, 2018. In connection with the Qualifying Transaction, the Company filed articles of amendment to affect a consolidation (the “Consolidation”) of the outstanding common shares of the Company (the “Common Shares”) on the basis of one post-Consolidation Common Share for every 26.565 pre-Consolidation Common Shares. The Company also changed its authorized share capital to create the Subordinated Voting Shares and the Multiple Voting Shares, and to re-designate each outstanding post-Consolidation Common Share as a Subordinated Voting Share.

During Fiscal 2019 and Fiscal 2020, the cannabis market experienced considerable volatility. Share prices across the cannabis industry declined amid increased competition and a slower-than-expected development of the Canadian cannabis market, specifically relating to the limited roll-out of retail distribution in highly populated areas. Although the NEOs’ base salaries increased in Fiscal 2019 and Fiscal 2020 as the Company grew and aimed to better align its compensation practices with its peers based on benchmark data and advice from the Compensation Consultants, the overall value of NEO compensation decreased during Fiscal 2019 and Fiscal 2020, as the economic value of the security-based compensation received by NEOs declined with the Company’s share price. See “Executive Compensation – Incentive Plan Awards” below for a summary of the economic value of the NEOs’ security-based compensation as at March 31, 2020.

**Option-Based Awards**

Option holders only benefit if the market value of the Subordinated Voting Shares at the time of option exercise is greater than the exercise price of the options at the time of grant. For a detailed description of the Option Plan and the LTIP, see “Securities Authorized for Issuance Under Equity Compensation Plans – Option Plan” and “Securities Authorized for Issuance Under Equity Compensation Plans – LTIP”.

The granting of options and their vesting periods are recommended by the CNG Committee and approved by the Board. The CNG Committee considers a number of factors prior to the grant of options including, but not limited to, individual and corporate performance, an individual’s level of responsibility within the Company, previous award grants and the individual’s position, ongoing responsibilities, overall compensation and prevailing market conditions and the recommendation of a compensation consultant, if applicable. The CEO and, when requested, the Senior Executives, are instrumental in making recommendations to the CNG Committee regarding options granted to other employees. In the context of the Company’s evolving compensation philosophy, policies and practices, the CNG Committee reviews the criteria for granting options during its ongoing review of the Company’s compensation philosophy, policies and practices.

**PSU Awards**

The benefit to be received by holders of PSUs will generally be based on the Subordinated Voting Share price, such that the more the Subordinated Voting Share price increases, the greater the benefit will be to the holder. For a detailed description of the PSUs, see “Securities Authorized for Issuance Under Equity Compensation Plans – LTIP”.

The granting of PSUs and their vesting periods and performance conditions are recommended by the CNG Committee and approved by the Board. The CNG Committee considers a number of factors prior to the grant of PSUs including, but not limited to, individual and corporate performance, an individual’s level of responsibility within the Company, previous grants of securities and the individual’s position, ongoing responsibilities, overall compensation, prevailing market conditions and the recommendation of a compensation consultant, if applicable. CNG Committee will review the criteria for granting PSUs during its ongoing review of the Company’s compensation philosophy, policies and practices.

**Compensation Risk**

The CNG Committee has not formally considered the implications of the risks associated with the Company’s compensation policies or practices. However, when setting compensation levels, the Board and CNG Committee seek to alleviate risk by having a balance of short-term and long-term compensation. For example, options typically do not vest immediately, which allows for continued appreciation over the term of the options. As a part of reviewing compensation levels, the Board and CNG Committee seek an appropriate balance of base salary, variable pay opportunities based on the achievement of individual and corporate performance objectives, options grants and PSU grants to balance the short-term and long-term interests of the Company by tying compensation to the achievement of the business objectives of the Company, while also ensuring that the Senior Executives and certain other employees of the Company have sufficient equity exposure to align their interests with the interests of Shareholders.

The Company believes that the compensation policies it has established reflect an appropriate mixture of guaranteed compensation, incentive-based compensation through short-term and long-term incentive plans and risk mitigation. The CNG Committee currently believes that its compensation policies and practices will not lead to inappropriate or excessive risk taking on the part of the Senior Executives or other employees of the Company.

**Financial Instruments**

Pursuant to the Company’s Corporate Disclosure and Insider Trading Policy, the Senior Executives and certain other employees are prohibited from selling securities of the Company short or selling a call option or buying a put option in respect of securities of the Company or any of its affiliates or engaging in any other transaction to synthetically monetize securities of the Company. To the Company’s knowledge, no Senior Executive or director of the Company has entered into or purchased any such financial instruments.

Notes:
(1) This value represents the systematic recognition of the grant date fair value of the equity instruments granted (derived using the Black-Scholes methodology) over the applicable vesting period, consistent with the value and corresponding expense calculated for accounting purposes. The key inputs and assumptions used in valuing the options include the exercise and share prices on the date of grant (ranging from $0.60 to $4.35), expected volatility (ranging from 70% to 100%) and expected option life (ranging from 3.0 years to 5.0 years). Note that for accounting purposes, Mr. Linton’s and certain of Mr. Dufourmantelle’s options are re-measured each reporting period, as these options were granted to Mr. Linton and Mr. Dufourmantelle in their capacities as consultants of the Company before their employment with the Company formally commenced. This value does not reflect the economic value of the option-based awards provided to the NEOs as at March 31, 2020. (1) Calculated by multiplying the difference between the closing price of the Subordinated Voting Shares on the TSX on March 31, 2020, which was $4.90, and the option exercise price by the number of unexercised, in-the-money options, regardless of whether or not the options have vested. Where the difference is negative, the options are not “in-the-money” and no value is ascribed. These granted options may or may not ever be exercised. Whether granted options are exercised or not will be based primarily, but not singularly, on the Company’s future stock price and whether the granted options become “in-the-money”.

(2) Mr. Linton resigned as CEO of the Company on May 22, 2019 and as a director and Chair of the Board on July 2, 2019. Notes:
(1) Upon a termination without cause effective March 31, 2020, certain unvested options held by the NEOs on the date of termination would vest. The value attributed to such options was calculated by multiplying the difference between the closing price of the Subordinated Voting Shares on the TSX on March 31, 2020, which was $0.90, and the option exercise price by the number of unexercised, in-the-money options that would vest.

Change of Control

The Alexandrian Employment Agreement, the Lucarelli Employment Agreement and the Mundy Employment Agreement provide that if (a) the Company terminates the executive’s employment, other than for cause, within 12 months following a change of control, or (b) the terms of the executive’s employment are materially changed without the express consent of the employee in writing and the executive elects to resign within 12 months of a change of control, the executive is entitled to receive (i) 12 months’ notice or salary in lieu thereof, plus one month’s salary for every year and part year that the executive has been employed by the Company (subject to a maximum of 18 months), plus (ii) the average annual bonus actually paid to the executive with respect to the two completed years preceding the date of termination. In addition, in the event of a change of control, certain of the unvested options held by Messrs. Alexandrian, Lucarelli or Mundy will vest immediately and others will terminate unless the Board, in its discretion, approves the accelerated vesting of such options.

The Dufourmantelle Employment Agreement does not provide for any payments upon a change of control and all of Mr. Dufourmantelle’s options are governed by the terms of the Option Plan. See “Securities Authorized for Issuance Under Equity Compensation Plans – Option Plan.”

Notes:
(1) Upon the termination of certain NEOs other than for cause, within 12 months following a change of control or if the terms of such NEOs’ employment are materially changed without the express consent of the NEO in writing and the NEO elects to resign within 12 months of a change of control, certain unvested options held by the NEOs on the date of termination or resignation would vest. The value attributed to such options was calculated by multiplying the difference between the closing price of the Subordinated Voting Shares on the TSX on March 31, 2020, which was $0.90, and the option exercise price by the number of unexercised, in-the-money options that would vest.

**DIRECTOR COMPENSATION**

**Compensation of Directors**

Historically, the Company has paid each director that is not a NEO a fee for serving on the Board. Going forward, the Company does not intend to pay director fees to directors that are also NEOs or Board nominees of CGC. It also pays directors a fee for serving as the Chair of certain Board committees. In making recommendations to the Board relating to director compensation for Fiscal 2020, the CNG Committee considered director compensation offered by similar companies, its directors’ time commitments, the recommendation of Gallagher, and the risks and responsibilities that the directors of the Company assume.

In Fiscal 2020, each director that was not an NEO received an annual retainer of $120,000 (the “Annual Retainer”) payable in cash, options, RSUs, deferred share units or other forms of security-based compensation approved by the Board, with a maximum of $60,000 payable in cash. The Chair of the Board, the Lead Director and the Chair of the Audit Committee also received an additional annual cash retainer of $15,000 and the Chair of the CNG Committee received an additional annual cash retainer of $10,000, subject to a maximum additional payment to each director of $15,000. The Chair of the Conflicts Review Committee did not receive an additional annual cash retainer in Fiscal 2020.

During the first quarter of Fiscal 2021, the Board determined to reduce the Annual Retainer by 25% to $90,000 per year until such time as the Board determines otherwise, payable, at the option of each director, in cash, options, RSUs, deferred share units or such other form of security-based compensation as may be approved by the Board from time to time, with a maximum of $45,000 payable in cash. In addition, the Board determined to reduce the additional annual cash retainer payable to the Chair of the Board, the Lead Director and the Chair of the Audit Committee by 25% to $11,250 and to increase the additional annual cash retainer payable to the Chair of the CNG Committee to $11,250, subject to a maximum additional payment to each director of $11,250, until such time as the Board determines otherwise. The Chair of the Conflicts Review Committee is not expected to receive an additional annual cash retainer for Fiscal 2021.

**RSU Awards**

Non-Employee Directors are eligible to receive some or all of their Annual Retainer in the form of RSUs, as noted above. The benefit to be received by holders of RSUs will generally be based on the Subordinated Voting Share price, such that the more the Subordinated Voting Share price increases, the greater the benefit will be to the holder. For a detailed description of the RSUs, see “Securities Authorized for Issuance Under Equity Compensation Plans – RSU Plan”.
The granting of RSUs and their redemption periods are recommended by the CNG Committee and approved by the Board. The CNG Committee considers a number of factors prior to the grant of RSUs including, but not limited to, director compensation offered by similar companies, its directors’ time commitments, the recommendation of a compensation consultant, if applicable, and the risks and responsibilities that the directors of the Company assume. In the context of the Company’s evolving compensation philosophy, policies and practices, the CNG Committee will review the criteria for granting RSUs during its ongoing review of the Company’s compensation philosophy, policies and practices.

**Director Compensation Table**

As of March 31, 2020, the Company had five directors, one of whom was also an NEO. For a description of the compensation paid to Mr. Alexandrian and Mr. Linton, NEOs of the Company who also acted as directors of the Company, during Fiscal 2020, see “Summary Compensation Table”. Where the difference is negative, the options are not “in-the-money” and no value is ascribed. These granted options may or may not ever be exercised. **Option Plan**

The Option Plan was approved by the Board on August 5, 2019 and by Shareholders on September 26, 2019. The purpose of the Option Plan is to provide incentives that attract, retain and motivate the Company’s directors, officers, employees, and other eligible persons whose contributions are important to the future success of the Company, by providing them with the opportunity, through options, to acquire an increased proprietary interest in the Company.

The following is a summary of the material terms of the Option Plan. This summary is qualified in its entirety by reference to the Option Plan, which is attached as Schedule “A” to the management information circular of the Company dated August 6, 2019, which is available under the Company’s profile on SEDAR at www.sedar.com and on the Company’s website at www.canopyrivers.com/investors.

If the LTIP receives final TSX and Shareholder approval, the Company intends to cease issuing options pursuant to the Option Plan and to instead only issue options pursuant to the LTIP going forward. All unallocated Subordinated Voting Shares issuable pursuant to the Option Plan will cease to be reserved for issuance under the Option Plan. All outstanding options that were issued pursuant to the Option Plan will continue to be governed by the Option Plan, but upon the expiry or termination of such options, the Subordinated Voting Shares underlying the options will no longer be available for issuance under the Option Plan.

**Eligibility**

Any senior officer, director, employee, management company employee, consultant, or investor relations person of the Company or its subsidiaries (each as described in the Option Plan and each for the purposes of this section, an “Eligible Person”) is eligible to receive options under the Option Plan.
Subordinated Voting Shares Subject to the Option Plan

The Option Plan provides that the number of Subordinated Voting Shares which may be available for issuance under the Option Plan will not exceed 10% of the total number of Shares issued and outstanding from time to time, calculated at the time of grant, on a non-diluted basis. As at August 5, 2020, the Company had 155,502,725 Subordinated Voting Shares and 36,468,318 Multiple Voting Shares issued and outstanding (on a non-diluted basis). Accordingly, the maximum number of Subordinated Voting Shares available for issuance pursuant to the Option Plan is 19,197,104, being 10% of the number of Shares issued and outstanding.

As at August 5, 2020, there were 12,717,670 options outstanding under the Option Plan. Therefore, 12,717,670 Subordinated Voting Shares may be issued (or 6.6% of the Shares issued and outstanding), leaving a maximum of 6,479,434 Subordinated Voting Shares available for issuance under the Option Plan.

The “burn rate” (calculated by dividing the number of options granted under the Option Plan during the applicable year, by the weighted average number of securities outstanding for the applicable fiscal year) for the Option Plan was 1.1% in Fiscal 2020, 3.9% in Fiscal 2019 and 6.8% in the financial period ended March 31, 2018.

Limits with Respect to Insiders

(a) The maximum number of Subordinated Voting Shares which may be reserved for issuance under options granted to Insiders (as defined in the TSX Company Manual) (as a group) under the Option Plan, together with any other of the Company’s previously established and outstanding stock option plans or grants, shall be 10% of the Subordinated Voting Shares issued and outstanding at the time of the grant (on a non-diluted basis); and

(b) The maximum number of options which may be granted to Insiders (as a group) under the Option Plan, together with any other of the Company’s previously established and outstanding stock option plans or grants, within any 12 month period shall be 10% of the issued Subordinated Voting Shares, calculated on the date an option is granted to any insider (on a non-diluted basis).

Limits with Respect to Consultants and Investor Relations Persons

(a) The maximum number of options which may be granted to any one consultant under the Option Plan, together with any other of the Company’s previously established and outstanding stock option plans or grants, within any 12 month period, must not exceed 2% of the issued and outstanding Subordinated Voting Shares, calculated at the date an option is granted to such consultant (on a non-diluted basis); and

(b) The maximum number of options which may be granted to all investor relations person under the Option Plan, together with any other of the Company’s previously established and outstanding stock option plans or grants, within any 12 month period, must not exceed, in the aggregate, 2% of the issued and outstanding Subordinated Voting Shares, calculated on the date an option granted to any such investor relations person (on a non-diluted basis).

Exercise of Options

The exercise price of options may not be less than the “market price” (as defined in the Option Plan) of the Subordinated Voting Shares at the time the option is granted, subject to the minimum exercise price allowable by the stock exchange on which the Company’s securities are listed. Subject to the provisions of the Option Plan and the particular option, an option may be exercised, in whole or in part, by delivering a written notice of exercise to the Company along with payment in cash or certified cheque for the full amount of the purchase price of the Subordinated Voting Shares then being purchased.

Term and Expiry Date

The period within which options may be exercised and the number of options which may be exercised in any such period are determined by the Board at the time of granting the options provided, however, that the maximum term of any options awarded under the Option Plan is five years from the date of the option grant.
**Vesting**

All options granted pursuant to the Option Plan will be subject to such vesting requirements as may be prescribed by the stock exchange on which the Company’s securities are listed, if applicable, or as may be imposed by the Board. All options granted to investor relations persons must vest in stages over not less than 12 months, with no more than one-quarter of the options vesting in any three-month period.

**Termination of Options**

An optionee who ceases to be an Eligible Person for any reason, other than as a result of having been dismissed for cause or as a result of the optionee’s death, may exercise any vested and unexpired options held by such optionee for a period of 90 days from the date of cessation (or until the normal expiry date of the option rights of such optionee, if earlier), subject to extension by the Board for up to a maximum of 12 months with approval from the TSX. An optionee who was engaged in providing investor relation activities may exercise any vested and unexpired options held by such optionee for a period of 30 days from the date that the optionee ceased to provide such investor relations activities.

In the event of a death of the optionee, the optionee’s representative may exercise any vested and unexpired options held by the optionee for a period of 12 months from the optionee’s death (unless such period is extended by the Board). Any extension of the exercise period by the Board is subject to the approval of the stock exchange on which the Company’s securities are listed.

If an optionee ceases to be an Eligible Person as a result of having been dismissed for cause, all unexercised options of that optionee under the Option Plan will immediately terminate and will lapse.

**Transferability**

Options granted under the Option Plan will be non-assignable and non-transferable by an optionee other than pursuant to a will or by the laws of descent and distribution, and such options shall be exercisable, during an optionee’s lifetime, only by the optionee.

**Capital Changes, Corporate Transactions and Change of Control**

The Option Plan contains provisions for the treatment of options in relation to capital changes and with regard to a reorganization, stock split, stock dividend, combination of shares merger, consolidation, rights offering or any other change in the corporate structure or shares of the Company. The aggregate number and kind of shares available under the Option Plan will be appropriately adjusted in the event of a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Company.

In the event of an Acceleration Event (as defined in the Option Plan), provided that the Board has determined that no adjustment will be made pursuant to the Option Plan, the Board may (i) permit the optionee to exercise the option granted, as to all or any of the optioned shares in respect of which such option has not previously been exercised (regardless of any vesting restrictions), during the period specified in the notice (but in no event later than the expiry date of the option), so that the optionee may participate in such transaction, offer or proposal; and (ii) require the acceleration of the time for the exercise of such option and of the time for the fulfilment of any conditions or restrictions on such exercise. Further, the Board, in its sole discretion, may authorize and implement any one or more of the following additional courses of action in the event of an Acceleration Event:

(a) terminating without any payment or other consideration, any options not exercised or surrendered by the effective time of the Acceleration Event;

(b) causing the Company to offer to acquire from each optionee his or her options for a cash payment equal to the In-the-Money Amount (as defined in the Option Plan), and any options not so surrendered or exercised by the effective time of the Acceleration Event will be deemed to have expired; and

(c) an option granted under the Option Plan may be exchanged for an option to acquire, for the same aggregate consideration, that number and type of securities as would be distributed to the optionee in respect of the shares issued to the optionee had he or she exercised the option prior to the effective time of the Acceleration Event, provided that any such replacement option must provide that it survives for a period of not less than
one year from the effective time of the Acceleration Event, regardless of the continuing directorship, officership or employment of the optee.

Amendment and Termination of the Option Plan

The Board may at any time terminate the Option Plan, provided that no such termination adversely affects the rights of any optee under any previously granted option, except with the consent of such optee. The Board may also amend the Option Plan from time to time without Shareholder approval:

(a) for the purposes of making formal, minor or technical modifications to any of the provisions of the Option Plan;

(b) to correct any defect, supply any omission, or reconcile any inconsistency in the Option Plan, any option or any option certificate;

(c) to change the vesting provisions of options or the Option Plan;

(d) to change the termination provisions of any options or the Option Plan that does not entail an extension beyond the original expiry date of the options;

(e) to add or modify a cashless exercise feature providing for the payment in cash or securities on the exercise of options; and

(f) to add or change provisions relating to any form of financial assistance provided by the Company to optees that would facilitate the purchase of securities under the Option Plan;

provided however, that the Shareholders must approve any amendment to the Option Plan that results in:

(g) an increase in the number of Subordinated Voting Shares issuable under options granted pursuant to the Option Plan (other than by virtue of adjustments in accordance with the terms of the Option Plan);

(h) a material change in the persons who qualify as Eligible Persons under the Option Plan;

(i) a reduction in the exercise price of an option;

(j) the cancellation and reissue of any option;

(k) an extension of the term of an option beyond its original expiry date;

(l) options becoming transferable or assignable other than for the purposes for estate settlement purposes as described in section 15 of the Option Plan;

(m) a change to the insider participation limits set forth in section 5 of the Option Plan; or

(n) an amendment to section 21 of the Option Plan, so as to change or expand the ability of the Board to amend or modify the Option Plan.

RSU Plan

The RSU Plan was approved by the Board on March 18, 2020, subject to receipt of final TSX and Shareholder approval. The purpose of the RSU Plan is to promote a greater alignment of long-term interests between the Company’s Non-Employee Directors and Shareholders and to provide compensation for Non-Employee Directors that, together with the other director compensation mechanisms, is reflective of the responsibility, commitment and risk accompanying membership on the Board and the performance of the duties required of the various Board committees.

The following is a summary of the material terms of the RSU Plan. This summary is qualified in its entirety by reference to the RSU Plan, which is attached as Schedule “A” hereto. In the event that the RSU Plan Resolution does not receive the required Shareholder approval at the Meeting, the RSU Plan and all RSUs previously granted thereunder will terminate and be null and void. See “Business of Meeting—Approval of the RSU Plan Resolution”.

Definitions

For purposes of the RSU Plan:

“Annual Remuneration” means all amounts ordinarily payable in cash to a Non-Employee Director by the Company in respect of the services provided by the Non-Employee Director to the Company in connection with such Non-Employee Director’s service on the Board in the Company’s fiscal year, including as applicable and without limitation (i) the annual base retainer fee payable to a Non-Employee Director by the Company for serving as a member of the Board; (ii) the fee for serving as a member of a Board committee; and (iii) the fee for chairing a Board committee. For greater certainty, “Annual Remuneration” shall exclude any meeting fees payable in respect of attendance at individual meetings and amounts received by a Non-Employee Director as a reimbursement for expenses incurred in attending meetings.

“Conversion Date” means the date used to determine the Fair Market Value (as defined herein) of an RSU for purposes of determining the number of RSUs to be credited to a participant under the RSU Plan;

“Fair Market Value” means, with respect to any particular date:

(i) if the Subordinated Voting Shares are listed on only one stock exchange, the volume weighted average trading price per Subordinated Voting Share on such stock exchange during the immediately preceding five trading days;

(ii) if the Subordinated Voting Shares are listed on more than one stock exchange, the Fair Market Value as determined in accordance with paragraph (i) above for the stock exchange on which the greatest volume of trading of the Subordinated Voting Shares occurred during the immediately preceding twenty trading days; and

(iii) if the Subordinated Voting Shares are not listed for trading on a stock exchange, a price which is determined by the Board in good faith to be the Fair Market Value of the Subordinated Voting Shares.

Eligibility

Each director who is not an officer or employee of the Company or any subsidiary thereof, including any non-executive Chair of the Board (a “Non-Employee Director”), is eligible to receive RSUs under the RSU Plan.

Subordinated Voting Shares Subject to the RSU Plan

The RSU Plan provides that the maximum number of Subordinated Voting Shares that may be issued or issuable under the RSU Plan shall be a number equal to 1% of the number of issued and outstanding Shares on a non-diluted basis from time to time.

Additional RSU Plan Limits

No RSUs shall be granted under the RSU Plan if:

(a) together with any other security based compensation arrangements established or maintained by the Company, such grant of RSUs could, at any time, in the aggregate number of Subordinated Voting Shares (i) issued to Insiders, within any one-year period or (ii) issuable to Insiders, at any time, exceeding 10% of the issued and outstanding Subordinated Voting Shares on a non-diluted basis; or

(b) such grant of RSUs to a Non-Employee Director is made on a discretionary basis or in any way other than as a value-for-value alternative to cash compensation and will result in: (i) the aggregate number of Subordinated Voting Shares reserved for issuance to all Non-Employee Directors pursuant to outstanding RSUs granted under the RSU Plan on a discretionary basis or in any way other than as a value-for-value alternative to cash compensation (or as dividend equivalents) and all other security based compensation arrangements of the Company providing for equity awards other than in lieu of cash fees exceeding 1% of the total number of Shares then-issued and outstanding; or (ii) the Fair Market Value of RSUs on their date of grant to any Non-Employee Director under the Plan on a discretionary basis or in any way other than as a value-for-value
alternative to cash compensation (or as dividend equivalents) and all other security based compensation arrangements of the Company providing for equity awards other than in lieu of cash fees exceeding $150,000 per year.

**RSU Awards**

RSUs elected by a Non-Employee Director as a value-for-value alternative to cash compensation that relate to the Non-Employee Director’s services as a member of the Board in a fiscal year will be credited to the Non-Employee Director as of the applicable Conversion Date, which will generally be the last day of such fiscal year. The number of RSUs to be credited to a Non-Employee Director as of a particular Conversion Date will be determined by dividing the portion of that Non-Employee Director’s Annual Remuneration for the applicable period to be satisfied by RSUs by the Fair Market Value on the particular Conversion Date. The RSUs will be fully vested upon being credited to the Non-Employee Director.

The Board may also award such number of RSUs to a Non-Employee Director as it deems advisable to provide the Non-Employee Director with appropriate equity-based compensation for their services. The Board will determine the date on which such RSUs are granted and the Conversion Date as of which they will be awarded to the Non-Employee Director, together with any terms or conditions with respect to the vesting of such RSUs. The Company and a Non-Employee Director who receives such a discretionary award of RSUs will enter into an award agreement to evidence the award and the terms applicable thereto.

**Redemption of RSUs**

Subject to the discretion of the Board, each grant of RSUs awarded to a Non-Employee Director as a value-for-value alternative to cash compensation will be redeemed in three equal instalments on each of the first three anniversaries of the applicable Conversion Date.

Share Units credited to a Non-Employee Director’s Account as a discretionary award that have vested will be redeemed in accordance with the award agreement governing the RSUs.

**Settlement of RSUs**

A Non-Employee Director whose RSUs are redeemed will be entitled to receive one Subordinated Voting Share for each whole RSU then being settled.

**Transferability**

RSUs and other benefits under the RSU Plan are not transferable or assignable other than by will or the laws of descent and distribution.

A Non-Employee Director may designate in writing a person who is their dependent or relation as a beneficiary to receive any benefits that are payable under the RSU Plan upon their death. In the event of a Non-Employee Director’s death, any and all RSUs then credited to them shall become payable to their beneficiary.

**Capital Changes, Corporate Transactions and Change of Control**

The RSU Plan contains provisions for the equitable adjustment of RSUs in relation to capital changes and with regard to a stock dividend, split, recapitalization, reclassification, amalgamation, arrangement, merger, consolidation, combination or exchange of Subordinated Voting Shares or distribution of rights to holders of Subordinated Voting Shares or any other form of corporate reorganization.

In the event of a Change in Control (for the purposes of this section, as defined in the RSU Plan), all RSUs that have been awarded and not redeemed prior to such Change in Control shall be redeemed immediately prior to the effective time of the Change in Control.
Amendment and Termination of the RSU Plan

The Board may at any time and for any reason amend, suspend or terminate the RSU Plan, provided that no such amendment, suspension or termination may, without the consent of a holder of RSUs, adversely affect the rights of such holder’s outstanding RSUs.

The Board may not, without approval by a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at a meeting:

(i) increase the maximum percentage of Subordinated Voting Shares issuable by the Company pursuant to the RSU Plan;

(ii) expand the authority of the Board to permit assignability of the RSUs beyond that currently contemplated in the RSU Plan;

(iii) increase or delete any limit described above under “– Additional RSU Plan Limits”;

(iv) amend the RSU Plan to provide for other types of compensation through equity issuance;

(v) provide for the issuance of Multiple Voting Shares under the RSU Plan; and

(vi) amend the applicable amendment provisions of the RSU Plan, other than as permitted under the TSX Company Manual;

provided however that Shareholder approval will not be required for, among other things, the following amendments:

(vii) amendments of a “housekeeping” nature;

(viii) a change to the termination provisions of any RSU; or

(ix) amendments to the provisions relating to a Change in Control.

LTIP

The LTIP was approved by the Board on August 5, 2020, subject to receipt of final TSX and Shareholder approval. The purpose of the LTIP is to (i) promote further alignment of interests between officers, employees and other eligible service providers of the Company and Shareholders, (ii) to associate a portion of the compensation payable to officers, employees and other eligible service providers of the Company with the returns achieved by Shareholders; and (iii) to attract and retain officers, employees and other eligible service providers with the knowledge, experience and expertise required by the Company.

The following is a summary of the material terms of the LTIP. This summary is qualified in its entirety by reference to the LTIP, which is attached as Schedule “B” hereto. In the event that the LTIP Resolution does not receive the required Shareholder approval at the Meeting, the LTIP and all PSUs previously granted thereunder will terminate and be null and void. See “Business of Meeting – Approval of the LTIP Resolution”.

Definitions

“Market Price” means, with respect to any particular date:

(i) if the Subordinated Voting Shares are listed on only one stock exchange, the volume weighted average trading price per Subordinated Voting Share on such stock exchange during the immediately preceding five trading days;

(ii) if the Subordinated Voting Shares are listed on more than one stock exchange, the Market Price as determined in accordance with paragraph (i) above for the primary stock exchange on which the greatest volume of trading of the Subordinated Voting Shares occurred during the immediately preceding 20 trading days; and
(iii) if the Subordinated Voting Shares are not listed for trading on a stock exchange, a price which is determined by the Board in good faith to be the fair market value of the Subordinated Voting Shares.

**Eligibility**

Any individual employed by the Company, including a Service Provider (as defined in the LTIP), who, by the nature of his or her position or job is, in the opinion of the Board, in a position to contribute to the success of the Company is eligible to receive grants of options, Restricted Share Units, PSUs, Stock Appreciation Rights and Restricted Stock (for the purposes of this section, “Grants”) under the LTIP provided that only officers and employees of the Company shall be eligible to receive options under the LTIP.

**Subordinated Voting Shares Subject to the LTIP**

The aggregate number of Subordinated Voting Shares that may be issued pursuant to Grants made under the LTIP together with all other security based compensation arrangements of the Company shall be a number equal to 10% of the aggregate number of issued and outstanding Shares from time to time.

The aggregate number of Subordinated Voting Shares reserved for issuance to any one participant under the LTIP (for the purposes of this section, a “Participant”), together with all other security based compensation arrangements of the Company, must not exceed 5% of the aggregate issued and outstanding Shares.

For purposes of computing the total number of Subordinated Voting Shares available for grant under the LTIP or any other security based compensation arrangement of the Company, Subordinated Voting Shares subject to any Grant (or any portion thereof) that is forfeited, surrendered, cancelled or otherwise terminated, including if a number of Subordinated Voting Shares covered by an option have not been issued due to the exercise of a tandem Stock Appreciation Right connected with such option, prior to the issuance of such Subordinated Voting Shares shall again be available for grant under the LTIP.

**Additional LTIP Limits**

The maximum number of Subordinated Voting Shares that are (i) issued to Insiders within any one year period, and (b) issuable to Insiders, at any time, under the LTIP, or when combined with all of the Company’s other security based compensation arrangements, will not exceed 10% of the number of the aggregate issued and outstanding Shares.

**Grants under the LTIP**

Options issued under the LTIP, unless otherwise designated by the Board, will vest one-third of each grant on the first three anniversaries of the date of the grant based on continued employment, and may be exercised during a period determined by the Board, which may not exceed five years. The exercise price for each Subordinated Voting Share subject to an option will be fixed by the Board but under no circumstances may any exercise price be less than 100% of the Market Price on the date of grant of the option. The exercise of options may be subject to vesting conditions, including specific time schedules for vesting and performance-based conditions. In addition, tandem Stock Appreciation Rights may be granted in connection with a grant of options, which are subject to the same terms and conditions of the grant of options. Tandem Stock Appreciation Rights may be exercised only if and to the extent the related options are vested and exercisable, and on exercise of a tandem Stock Appreciation Right, the related option will be cancelled and the Participant will be entitled to the amount in settlement of the tandem Stock Appreciation Rights. Upon exercise, the tandem Stock Appreciation Right will be settled by a cash amount equal to the amount, if any, by which the Market Price on the date of exercise of the tandem Stock Appreciation Right exceeds the exercise price of the related option at the time of the grant. Such amounts may also be payable by the issuance of Subordinated Voting Shares (at the discretion of the Board).

Under the LTIP, Participants may be granted standalone Stock Appreciation Rights, being a right to receive a cash amount equal to the amount, if any, by which the Market Price on the date of exercise of the Stock Appreciation Right exceeds the Market Price at the time of the grant (the “Base Price”). Such amounts may also be payable by the issuance of Subordinated Voting Shares (at the discretion of the Board). The exercise of Stock Appreciation Rights may also be subject to conditions similar to those which may be imposed on the exercise of options.
Under the LTIP, Participants may be allocated share units in the form of Restricted Share Units or PSUs (collectively, “Share Units”), which represent the right to receive an equivalent number of Subordinated Voting Shares or the Market Price on the vesting date. The issuance of such Subordinated Voting Shares may be subject to vesting requirements similar to those described above with respect to the exercisability of options and Stock Appreciation Rights, including such time or performance based conditions as may be determined from time to time by the Board in its discretion. The LTIP provides for the express designation of share units as either Restricted Share Units, which have time-based vesting conditions, or PSUs, which have performance-based vesting conditions over a specified period.

Under the LTIP, Participants may be granted Restricted Stock, being Subordinated Voting Shares that are subject to a restriction on the Participant’s free enjoyment of the Subordinated Voting Shares, which restrictions may be based on the passage of time or the satisfaction of performance-based conditions or the occurrence of one or more events or conditions as the Board may determine. Restricted Stock cannot be sold, transferred or assigned while the restrictions remain in effect, although the Participant may vote the Restricted Stock and receive any dividends paid on the Restricted Stock during such period. Restricted Stock is forfeited if the applicable restriction does not lapse prior to the date or the occurrence of the specified event or the satisfaction of the criteria in the Grant agreement.

**Termination of Grants**

Subject to the terms of the applicable Grant agreement, in the case of a Participant’s termination of employment due to death, or in the case of the Participant’s Disability (as defined in the LTIP) (i) those of the Participant's outstanding options and Share Units that were granted prior to the year that includes the Participant’s date of death or Disability, as the case may be, that have not become vested prior to such date of death or Disability shall continue to vest and, upon vesting (which in the case of a PSU remains subject to the achievement of the applicable performance conditions and the adjustment of the number of PSUs that vest to reflect the extent to which such performance conditions were achieved), be exercisable (in the case of options) during the 12-month period following such date of death or Disability, as the case may be, as if the Participant had remained employed throughout such period and (ii) those of the Participant’s outstanding options that have become vested prior to the Participant’s date of death or Disability shall continue to be exercisable during the 12-month period following the such date of death or Disability, as the case may be. A pro-rated number of options and Share Units granted to a Participant in the year that includes the Participant’s date of death or Disability shall remain eligible to vest following such date of death or Disability (the “Special Pro Rated Grants”). The Special Pro Rated Grants shall continue to vest and, upon vesting (which in the case of a PSU remains subject to the achievement of the applicable performance conditions and the adjustment of the number of PSUs that vest to reflect the extent to which such performance conditions were achieved), be exercisable (in the case of options) during the 12-month period following the Participant’s date of death or Disability, as the case may be, as if the Participant had remained employed throughout such period. The balance of the options and Share Units granted to a Participant in the year that includes the Participant’s date of death or Disability that are not Special Pro Rated Grants shall be forfeited and cancelled as of the Participant’s date of death or Disability, as the case may be.

Subject to the terms of the applicable Grant agreement: (a) in the case of a Participant’s termination without cause, the Participant’s outstanding options that have become vested prior to the Participant’s termination shall continue to be exercisable during the 90-day period following the Participant’s date of termination, while Share Units shall vest on a pro rated basis based on the term of service (having regard, for PSUs, the extent to which the applicable performance conditions were satisfied); and (b) in the case of a Participant’s resignation, the Participant’s outstanding options that have become vested prior to the date on which the Participant provides notice to the Company of his or her resignation shall continue to be exercisable during the 60-day period following the Participant’s date of resignation, but no Share Units that have not vested prior to the date of on which the Participant submits his or her resignation shall vest and all such Share Units shall be forfeited immediately. In the case of a Participant’s termination for cause, any and all then outstanding unvested options and unvested Share Units granted to the Participant shall be immediately forfeited and cancelled, without any consideration therefore, as of the commencement of the day that notice of such termination is given.

In the event that a holder of Restricted Stock is terminated, unless the Grant agreement provides otherwise or as otherwise determined by the Board, all Restricted Stock will be forfeited to the Company.
Transferability

No Grants and no rights or interests therein may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a Participant other than by testamentary disposition by the Participant or the laws of intestate succession. A Participant may designate a beneficiary, in writing, to receive any benefits that are provided under the LTIP upon the death of such Participant.

Capital Changes, Corporate Transactions and Change of Control

The LTIP contains provisions for the equitable treatment of Grants in relation to any capital changes and with regard to a dividend, split, recapitalization, reclassification, amalgamation, arrangement, merger, consolidation, combination or exchange of Subordinated Voting Shares or distribution of rights to holders of Subordinated Voting Shares or any other relevant changes to the authorized or issued capital of the Company.

In the event of a Change in Control (for the purposes of this section, as defined in the LTIP) prior to the vesting of a Grant, and subject to the terms of a Participant’s employment agreement and the applicable Grant agreement, the Board shall have full authority to determine in its sole discretion the effect, if any, of a Change in Control on the vesting, exercisability, settlement, payment or lapse of restrictions applicable to a Grant.

Amendment and Termination of the LTIP

The LTIP and any Grant made pursuant to the LTIP may be amended, modified or terminated by the Board without approval of Shareholders, provided that no amendment may be made without the consent of a Participant if it adversely affects the rights of the Participant in respect of any Grant previously made to such Participant. For greater certainty, the LTIP may not be amended without Shareholder approval to do any of the following:

   (a) increase in the maximum number of Subordinated Voting Shares issuable pursuant to the LTIP;
   (b) provide for the issuance of Multiple Voting Shares under the LTIP;
   (c) reduce the exercise price of an outstanding option or the Base Price of a standalone Stock Appreciation Right;
   (d) extend the maximum term of any Grant made under the Plan;
   (e) amend the assignment provisions described above under “Transferability”;
   (f) permit a non-employee member of the Board to be eligible for Grants under the LTIP;
   (g) increase the number of Subordinated Voting Shares that may be issued or issuable to Insiders above the restriction or deleting the restriction on the number of Subordinated Voting Shares that may be issued or issuable to Insiders;
   (h) include other types of equity compensation involving the issuance of Subordinated Voting Shares under the LTIP; or
   (i) amend the amendment provisions of the LTIP to amend or delete any of (a) through (h) above or grant additional powers to the Board to amend the LTIP or entitlements without Shareholder approval;

provided that, Shareholder approval shall not be required for, among other things, the following amendments:

   (j) amendments of a “housekeeping” nature;
   (k) a change to the vesting provisions of any Grants;
   (l) a change to the termination provisions of any Grant that does not entail an extension beyond the original term of the Grant; or
   (m) amendments to the provisions relating to a Change in Control.

No individual who is, or at any time during Fiscal 2020 was, a director or officer of the Company, a Nominee, or any associate of any one of the foregoing persons is, or at any time since the beginning of Fiscal 2020 has been, indebted to the Company or any of its subsidiaries (other than in respect of amounts which constitute routine indebtedness) or was indebted to another entity, where such indebtedness is, or was at any time since the commencement of Fiscal 2020, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries. No “informed persons” of the Company (as defined in National Instrument 51-102 – Continuous Disclosure Obligations), nor any Nominee, nor any person who beneficially owns, directly or indirectly, Shares carrying more than 10% of the voting rights attached to the issued and outstanding Shares, nor any associate or affiliate of the foregoing persons, has had any material interest, direct or indirect, in any transaction since the commencement of Fiscal 2020 or in any proposed transaction which has materially affected the Company or would materially affect the Company, or any of its subsidiaries.

MANAGEMENT CONTRACTS

No management functions of the Company and its subsidiaries are performed to any substantial degree by persons other than the directors and executive officers of the Company or its subsidiaries.

STATEMENT OF CORPORATE GOVERNANCE

The Company and the Board recognize the importance of corporate governance for the effective management of the Company and the protection of its stakeholders, particularly Shareholders. The Company’s approach to issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance Shareholder value. The Board fulfills its mandate directly and through its committees at regularly scheduled meetings or as required. The directors are kept informed regarding the Company’s operations at regular meetings and through reports and discussions with management on matters within their particular areas of expertise. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Company’s affairs and in light of opportunities or risks that the Company faces.

The Company believes that its corporate governance practices are in compliance with applicable Canadian guidelines including NP 58-201. The Company has considered the applicable requirements and believes that its approach to corporate governance is appropriate and works effectively for the Company and the Shareholders. The Company continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The following is a description of the Company’s corporate governance practices, which has been approved by the CNG Committee and the Board.

Board of Directors

Composition of the Board

Pursuant to NI 52-110, a director is considered to be independent if he or she has no direct or indirect material relationship with the Company that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. NI 52-110 sets out certain situations where a director is deemed to have a material relationship with the Company.
As of the date this Circular, the Board is composed of six directors, three of whom have been determined to be independent based upon the criteria set forth in NI 52-110. Messrs. Mavrinac and Mimran and Ms. Daniere have been determined to be independent within the meaning of NI 52-110. Mr. Alexandrian is not considered by the Board to be independent within the meaning of NI 52-110 due to his role as President and CEO of the Company. Mr. Bell is not considered by the Board to be independent within the meaning of NI 52-110 due to his former role as Chair of the board of directors of CGC and the fact that, as of the date of this Circular, he is the Board nominee of CGC, the controlling shareholder of the Company. Mr. Lee is not considered by the Board to be independent within the meaning of NI 52-110 due to his role as CFO of CGC and the fact that, as of the date of this Circular, he is the Board nominee of CGC.

There are six Nominees standing for election as directors at the Meeting, three of whom have been determined to be independent based upon the criteria set forth in NI 52-110. Messrs. Mavrinac and Mimran and Ms. Daniere have been determined to be independent within the meaning of NI 52-110. Mr. Alexandrian is not considered by the Board to be independent within the meaning of NI 52-110 due to his role as President and CEO of the Company. Mr. Lee is not considered by the Board to be independent within the meaning of NI 52-110 due to his role as CFO of CGC and the fact that he is standing for election at the Meeting as the Board nominee of CGC. Mr. Hankinson is not considered by the Board to be independent within the meaning of NI 52-110 due to his role as a CFO of Constellation Brands, a significant shareholder of CGC, and the fact that he is standing for election at the Meeting as the Board nominee of CGC.

The independent directors did not hold any regularly scheduled meetings during Fiscal 2020 at which non-independent directors and members of management were not in attendance. During Fiscal 2020, the independent directors held one scheduled meeting at which non-independent directors were not in attendance. It is anticipated that independent directors’ meetings will be held as deemed appropriate during Fiscal 2021.

While the majority of the Nominees are not considered to be independent within the meaning of NI 52-110, the majority of the Nominees are independent of management. In addition, the majority of the Nominees are also independent of CGC. During Fiscal 2020, the Board formed the Conflicts Review Committee, which is comprised of only independent directors. The Conflicts Review Committee reviews and provides a recommendation or approval, as applicable, to the Board for any material transaction or agreement proposed to be entered into by the Company with a Related Party (as defined herein) or that otherwise involves a conflict and meetings of the Conflicts Review Committee will be held as deemed appropriate during Fiscal 2021. In addition, the Board may form special committees, from time to time, comprised of only independent directors to address specific issues that arise. The Board has also implemented processes to facilitate the exercise of independent judgement in carrying out its responsibilities. Non-independent directors are asked to leave Board meetings when necessary to facilitate open and candid discussion among the independent directors and in-camera sessions of the independent directors may be held at the end of Board meetings. In addition, any item which could involve a potential conflict of interest among one or more directors is voted on by those directors that are not related to the conflict in question.

Chair of the Board and Lead Director

Until his resignation on July 2, 2020, Mr. Linton was a director and Chair of the Board. During such period, the Board determined that he was not an independent director within the meaning of NI 52-110 due to his role as CEO and Chair of the Board of CGC. Mr. Bell was appointed as the Chair of the Board as of July 2, 2020. The Board has determined that Mr. Bell is not independent director within the meaning of NI 52-110 due to his former role as Chair of the Board of CGC and the fact that, as of the date of this Circular, he is the Board nominee of CGC. Mr. Mavrinac is the Lead Director of the Board and the Board determined that he is independent within the meaning of NI 52-110. See “Position Descriptions – Chair” and “Position Descriptions – Lead Director” for a description of the roles of the Chair and the Lead Director.

Board Mandate

The Board has adopted a written “Board Mandate” pursuant to which the Board assumes responsibility for the stewardship of the Company. The Board mandate is attached hereto as Schedule “C”. The Board’s primary responsibility is to develop and adopt the strategic direction of the Company and to review and approve the strategic plans developed and proposed by management, which takes into account the business opportunities and risks of the Company. The Board is responsible for reviewing and approving the Company’s financial objectives, plans and actions, including significant capital allocations and expenditures. The Board is also responsible for, among other things: (i) monitoring corporate performance against the strategic and business plans; (ii) identifying principal business risks and implementing appropriate systems to manage such risks; (iii) monitoring and ensuring internal controls and procedures; (iv) ensuring appropriate standards of corporate conduct; (v) reviewing and approving Company’s financial statements and MD&As; (vi) approving director and Senior Executive compensation based on the recommendation of the CNG Committee; (vii) reviewing and approving material transactions; (viii) developing the Company’s approach to corporate governance; and (ix) assessing its own effectiveness in fulfilling its mandate.

Position Descriptions

The Board has developed written position descriptions for the Chair of the Board, the Lead Director, the Chair of the Audit Committee, the Chair of the CNG Committee and the Chair of the Conflicts Review Committee. In addition, the Audit Committee, the CNG Committee and the Conflicts Review Committee each have a written charter.
Chair

Mr. Bell is currently the Chair of the Board. Mr. Bell presides over all meetings of the directors and Shareholders of the Company. The primary responsibility of the Chair is to oversee the operations of the Board and to provide leadership to the Board while enhancing its overall effectiveness. Mr. Bell is not standing for re-election at the Meeting. As a result, it is expected that the Board will appoint a new Chair at the first Board meeting following the Meeting.

Lead Director

Mr. Mavrinac is the Lead Director of the Board. Mr. Mavrinac provides independent leadership to the Board and facilitates the functioning of the Board independently of the Company’s management. The primary responsibility of the Lead Director is to, together with the Chair of the CNG Committee, oversee the corporate governance practices of the Company and to ensure Board independence.

CEO

Mr. Alexandrian is the President and CEO of the Company. While the Company does not have a written CEO position description, Mr. Alexandrian leads the management of the Company’s business and affairs and the implementation of the resolutions and policies of the Board. The key responsibilities of the CEO include: duties relating to the Company’s values, strategy, governance, risk management, risk appetite, financial information, human resources management, operational direction, Board interaction, talent management, succession planning and effective communication with Shareholders, clients, employees, regulators and other stakeholders.

Committee Chairs

The primary responsibility of the Chair of each committee of the Board is to provide oversight and leadership to the applicable committee with a view to enhancing the overall efficacy of the committee. Each committee Chair plays an integral role in the fulfillment of the committee’s duties as set out in the charter of the committee and the management of the committee process.

Board Orientation and Continuing Education

The CNG Committee is responsible for ensuring that new directors are provided with an orientation and education program, which includes written information about the role of the Board and its committees, the nature and operation of the business of the Company and the contribution that individual directors are expected to make to the Board in terms of both time and resource commitments, as well as access to recent, publicly-filed documents of the Company and the Company’s internal financial information. Directors are expected to attend all meetings of the Board and are also expected to prepare thoroughly in advance of each meeting in order to actively participate in the deliberations and decisions.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. Through discussions and meetings with other directors, officers and employees, new directors will be provided with a thorough description of the Company’s business, policies, properties, assets, operations and strategic plans and objectives. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

While the Board does not have a formal orientation and training program for directors, the CNG Committee provides continuing education for directors on an ad hoc basis in respect of issues that are necessary for them to understand to meet their obligations as directors. Board members are also encouraged to communicate with management, auditors, and consultants to keep themselves current with industry trends and developments and changes in legislation and to attend related industry seminars to ensure that each member of the Board maintains the skills and knowledge necessary to meet their obligations as directors. The Company and the CNG Committee also encourage directors and the Senior Executives to participate in professional development programs and courses and supports management’s commitment to training and developing employees.
Board, Committee and Director Assessments

The CNG Committee is responsible for implementing an annual process for assessing the overall effectiveness of the Board as a whole, the committees of the Board and the contributions of individual directors. Directors are required to complete self-evaluations, peer evaluations and to consider, among other things, the overall functioning and performance of the Board, the Board’s standing committees and oversight thereof, the operational oversight of the Board, management structure and succession issues, the effectiveness of the Company’s internal controls and financial reporting, ethics and compliance matters and accountability. The Chair of the CNG Committee encourages discussion amongst the Board to evaluate the effectiveness of the Board as a whole, its committees and its individual directors. All directors are also encouraged to make suggestions for improvement of the practices of the Board at any time.

Ethical Business Conduct

As part of its responsibility for the stewardship of the Company, the Board seeks to foster a culture of ethical conduct by requiring the Company to carry out its business in line with high business and moral standards and applicable legal and financial requirements.

In exercising its powers and discharging its duties, the Board is required to act honestly and in good faith with a view to the best interests of the Company, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to officers, directors, employees and consultants, to help them recognize and deal with ethical issues; promoting a culture of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or an employee or consultant of the Company has a material interest, which includes ensuring that such individuals are familiar with rules concerning reporting conflicts of interest and obtaining direction from the Board or a Senior Executive of the Company regarding any potential conflicts of interest.

The Board has adopted a written code of business conduct and ethics (the “Code”), which applies to all employees, contractors, consultants, officers and directors of the Company. The purpose of the Code is to, among other things, promote honest and ethical conduct, promote the avoidance of conflicts of interest, promote full, fair, accurate, timely and understandable disclosure in filings and public communications, promote compliance with applicable laws, rules and regulations, promote internal reporting of Code violations; provide guidance to employees, contractors, consultants, officers and directors of the Company to help them recognize and deal with ethical issues and help foster a culture of honesty, respect, positivity and accountability for the Company. A copy of the Code has been filed with the regulators, in accordance with applicable legislation, and is available under the Company’s profile on SEDAR at www.sedar.com and on the Company’s website at www.canopyrivers.com/investors.

The Board has also adopted a written “Whistleblower Policy” which establishes procedures for: (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, auditing matters or violations of the Code; and (ii) the submission by employees, contractors, consultants, directors or officers of the Company, on a confidential and anonymous basis, of concerns regarding questionable accounting, auditing matters or violations of the Code, any other policy, charter or mandate of the Company, or applicable laws, rules and regulations.

The Board has also adopted a “Corporate Disclosure and Insider Trading Policy” to ensure, among other things: (i) that the Company complies with timely disclosure obligations under securities laws and the regulations of the stock exchanges on which the Company’s securities are listed; (ii) that the Company prevents the selective disclosure of “material information” (as defined in the policy); (iii) that all communications to the public are informative, timely, factual, balanced, accurate and broadly disseminated; (iv) that persons to whom the policy applies understand their obligations to preserve the confidentiality of “undisclosed material information”; (v) strict compliance by all Insiders with all requirements relating to the reporting of insider trading and with respect to trading when in possession of “undisclosed material information” (as defined in the policy); and (vi) that individuals subject to scheduled and unscheduled blackout periods adhere to the restrictions on trading as set out in the policy.
In addition, the Board has adopted an “Anti-Bribery and Anti-Corruption Policy” to ensure that all interactions with government officials, business partners, third parties and community stakeholders are undertaken with integrity and in compliance with applicable anti-bribery and anti-corruption laws.

Nomination of Directors

The CNG Committee is also responsible for reviewing candidates for election as directors and recommending director nominees for approval by the Board and election by Shareholders. The CNG Committee is responsible for assessing the skills and other attributes of existing Board members and, in light thereof, identifying individuals believed to be qualified to be Board members and recommending candidates to the Board for appointment or election to fill new or vacant positions.

In collaboration with the CNG Committee, the full Board has the responsibility for identifying potential Board candidates. The Board monitors and assesses the mix of skills and competencies required in order for the Board to fulfill its role effectively. In addition, the Board discusses with each director his or her intention to continue to serve as a Board member in order to plan and prepare for succession at the Board level in a seamless manner.

The Board will consider its size each year when it determines the number of directors to be nominated for election. In recommending and considering Board candidates, the CNG Committee and Board will identify and recommend new director nominees based upon the following considerations:

(a) the competencies and skills necessary for the Board as a whole to possess;
(b) the competencies and skills necessary for each individual director to possess;
(c) the competencies and skills which each new nominee of the Board is expected to bring; and
(d) whether the proposed nominees to the Board will be able to devote sufficient time and resources to the Company.

The Board may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

Pursuant to the Investor Rights Agreement, among other things, CGC is entitled to nominate two members of the Board for so long as the percentage of voting rights (on a non-diluted basis) beneficially owned directly or indirectly by CGC is more than 50% of the voting rights of the Company or any successor entity thereto. As of the date of this Circular, Mr. Bell and Mr. Lee are the CGC nominees to the Board. CGC has nominated Mr. Hankinson and Mr. Lee as the CGC nominees to the Board for election at the Meeting. Mr. Bell is not standing for re-election at the Meeting.

Compensation of Directors and Senior Executives

The Board has also established the CNG Committee to assist in determining compensation matters for the Company’s directors and Senior Executives. The CNG Committee is set up to ensure that compensation is competitive compared to the Company’s peers and aligns the interests of such individuals with those of the Company.

See “Executive Compensation – Compensation Discussion and Analysis” for additional details with respect to the CNG Committee and the compensation provided to directors and NEOs of the Company.

Board Committees

The Board currently has three standing committees: (i) the Audit Committee; (ii) the CNG Committee and (iii) the Conflicts Review Committee. In addition, the Board may establish other committees, including special committees, from time to time to assist the Board in connection with specific matters. The Board oversees the operations of the committees, the appointment of their respective members, their compensation and their conduct. The Board has no intention at this time to establish other standing committees.

Director Term Limits and Other Mechanisms of Board Renewal

The Company has not adopted a formal policy with respect to director term limits or other mechanisms to force Board renewal. The Company believes that in taking into account the nature and size of the Board and the Company, it is
more important to have relevant experience than to impose set time limits on a director’s tenure, which may create vacancies at a time when a suitable candidate cannot be identified and as such would not be in the best interests of the Company. In lieu of imposing term limits, the Company will periodically monitor director performance through formal and informal annual assessments, analyze the skills and experience necessary for the Board and evaluate the need for director changes to ensure that the Company has highly knowledgeable and motivated Board members, while ensuring that new perspectives are available to the Board.

Directors who have served on the Board for an extended period of time are in a unique position to provide valuable insight into the operations and future of the Company based on their experience and perspective on the Company’s history, performance and objectives. The Board believes it is important to have a balance between directors who have a long history and organizational understanding of the Company’s business with directors who bring new perspectives and ideas to the Board.

**Diversity on the Board and in Senior Management**

The Board believes that diversity is important to ensure that Board members provide the necessary range of perspectives, experience and expertise required to achieve the Company’s objectives and to deliver value for Shareholders. As a result, the Board has adopted a written “Board Diversity Policy” which seeks to increase diversity at the Board level. The Board Diversity Policy requires the Board and the CNG Committee to consider the benefits of diversity and the diversity of the Board members in reviewing Board composition and assessing Board effectiveness. It also provides for an annual review and discussion on the level of representation of women on the Board as well as a review of any diversity initiatives established by the Board and progress in achieving them.

At least annually, the CNG Committee reviews the composition of the Board and, when applicable, considers qualified candidates who are best able to meet the skills required by the Board. In doing so, the CNG Committee takes into consideration the overall knowledge, experience, skills, expertise and diversity of the Board as a whole.

The Company currently has six directors, one of whom is a woman, representing 17% of the Board members. The Board has nominated six Nominees, one of whom is a woman, representing 17% of the Nominees. Currently the senior management team of the Company is comprised of five individuals, one of whom, the Senior Director, Venture Capital and Portfolio Operations, is a woman, representing 20% of the senior management team.

At this time, the Company has not adopted specific targets in relation to women on the Company’s Board or in executive officer positions as the Board does not believe that targets necessarily result in the identification or selection of the best candidates. Rather, selection for Board members and executive officers is made based on merit, skills, qualifications, experience, background, needs of the Company at the time, etc. However, the Board has historically and continues to recognize the benefits of, and need for, extending opportunities to all internal personnel and outside candidates, without distinction as to gender, race, colour, religion, sexual orientation, family or marital status, political belief, age, national or ethnic origin, citizenship, disability, or any other basis. The Company’s focus has always been, and will continue to be, working to attract the highest quality executive officers and Board candidates with special focus on the skills, experience, character and behavioural qualities of each candidate.

The Company believes that equality and a commitment to diversity and inclusion should extend beyond the boardroom. With respect to its workforce, the Company considers itself to be an equal opportunity employer and applies equal opportunity principles in compliance with applicable national and local requirements governing recruitment, employment and equal opportunities. The Company ensures that all job specifications, advertisements, application forms and contracts are gender neutral and non-discriminatory. Further, the Company applies its equal opportunity principles when recruiting and selecting staff; establishing employment terms and conditions; providing employee training; upholding the right of all employees to work in a supportive environment and providing opportunities to gain skills and develop competencies that enable them to pursue a fulfilling career; ensuring discriminatory practices or harassment are not tolerated and that any reported instances are formally investigated with appropriate disciplinary action taken; and expecting all employees, as a condition of employment, to contribute to a discrimination and harassment-free work environment.

**The Audit Committee**

The Audit Committee is currently comprised of: Mr. Mavrinac (Chair), Ms. Daniere and Mr. Mimran. The Board has determined that each member of the Audit Committee is currently independent within the meaning of NI 52-110.
For a general description of the Audit Committee members’ relevant education and experience, see “Business of Meeting – Election of Directors – Director Biographies”.

The Audit Committee is responsible for, among other things, monitoring the Company’s systems and procedures for financial accounting, reporting and internal controls, reviewing certain public disclosure documents and monitoring the performance and independence of the Company’s external auditors. The Audit Committee is also responsible for reviewing the Company’s annual audited consolidated financial statements, annual MD&A, unaudited interim consolidated financial statements, interim MD&As and related operations prior to their approval by the Board.

Further information regarding the Audit Committee is contained in the AIF, under the heading “Audit Committee”. A copy of the Audit Committee charter is attached to the AIF as Schedule “A”. The AIF is available under the Company’s profile on SEDAR at www.sedar.com and on the Company’s website at www.canopyrivers.com/investors.

The Audit Committee held four meetings during Fiscal 2020. The members of the Audit Committee and their meeting attendance during Fiscal 2020 are set forth below:

Section 2 Election Under the Plan and Share Unit Awards

2.1 Payment of Director’s Annual Remuneration

Subject to Section 2.2 and such rules, regulations, policies, approvals and conditions as the Board may impose, a Non-Employee Director may elect to receive Annual Remuneration, or such component(s) of the Non-Employee Director’s Annual Remuneration (as described in clauses (i), (ii) and (iii) of the definition of Annual Remuneration) as may be specified in the rules, regulations and policies established by the Board in respect of the Plan, in the form of Share Units, which shall be credited to the Non-Employee Director’s Account Annually.

2.2 Non-Employee Director Election Process

(a) Subject to Section 2.2(d) and Section 5.4, a person who is a Non-Employee Director on the effective date of the Plan may elect to receive an amount or percentage (as specified in the Election Notice) of the Annual Remuneration, or a specified component of that Annual Remuneration, as contemplated in Section 2.1, that may be earned by such Non-Employee Director after such effective date of the Plan in Share Units by completing and delivering to the Secretary of the Corporation an initial Election Notice by no later than thirty (30) days after the effective date of the Plan, which
shall apply to the Non-Employee Director’s Annual Remuneration earned in Annual Periods that commence after the date the election is made.

(b) Subject to Section 2.2(d) and Section 5.4, an individual who becomes a Non-Employee Director during a year may elect to receive an amount or percentage (as specified in the Election Notice) of the Annual Remuneration, or a specified component of that Annual Remuneration, as contemplated in Section 2.1, that may be earned by such Non-Employee Director after the date the election is made in Share Units by completing and delivering to the Secretary of the Corporation an Election Notice within thirty (30) days after the individual becomes a Non-Employee Director.

(c) Subject to Section 2.2(d) and Section 5.4, a Non-Employee Director who has previously made an election under this Section 2.2, or who has never made any election under the Plan but who was previously eligible to do so, may elect to change the amount or percentage (each as specified in the Election Notice), as applicable, of Annual Remuneration, or a specified component of that Annual Remuneration, as contemplated in Section 2.1, for subsequent Annual Periods in Share Units by completing and delivering to the Secretary of the Corporation an Election Notice on or before the last day of the Annual Period immediately preceding the Annual Period to which such Election Notice is to apply.

(d) Notwithstanding any of the foregoing provisions of Section 2, the Corporation shall not effect any election under this Section 2.2 (and shall notify any applicable Non-Employee Director of such determination) where the Board does not believe such action is appropriate having regard for any material information to which the Board may be privy that has not been publicly disclosed.

(e) The Board may prescribe election forms for use by Non-Employee Directors who are residents of a jurisdiction other than Canada that differ from the election forms it prescribes for use by Canadian resident Non-Eligible Directors where the Board determines it is necessary or desirable to do so to obtain comparable treatment for the Plan, the Non-Employee Directors or the Corporation under the laws or regulatory policies of such other jurisdiction as is provided under the laws and regulatory policies of Canada and its Provinces, provided that no election form prescribed for use by a non-resident of Canada shall contain terms that would cause the Plan to cease to meet the requirements of Section 7 of the Income Tax Act (Canada) and any successor to such provisions.

(f) For greater certainty, if the Corporation establishes a policy for members of the Board with respect to the acquisition and/or holding of Subordinated Voting Shares and / or Share Units, each Non-Employee Director shall ensure that any election made by such Non-Employee Director under this Section 2.2 complies with such policy.

2.3 Share Unit Awards

(a) Share Units elected by a Non-Employee Director pursuant to Section 2.2 that relate to the Non-Employee Director’s services as a member of the Board in an Annual Period shall be credited to the Non-Employee Director’s Account as of the applicable Conversion Date, which, unless otherwise determined by the Board (and announced by way of press release), shall be the last day of such Annual Period. The number of Share Units (including fractional Share Units) to be credited to a Non-Employee Director’s Account as of a particular Conversion Date pursuant to this Section 2.3(a) shall be determined by dividing the portion of that Non-Employee Director’s Annual Remuneration for the applicable period to be satisfied by Share Units by the Fair Market Value on the particular Conversion Date.

(b) The Board may award such number of Share Units to a Non-Employee Director as the Board deems advisable to provide the Non-Employee Director with appropriate equity-based compensation for the services such Non-Employee Director renders to the Corporation as a Director in addition to any Share Units granted pursuant to Section 2.3(a). The Board shall determine the date on which such Share Units may be granted and the Conversion Date as of which such Share Units shall be credited to the Non-Employee Director’s Share Unit Account, together with any terms or conditions.
with respect to the vesting of such Share Units. The Corporation and a Non-Employee Director who receives an award of Share Units pursuant to this Section 2.3(b) shall enter into an Award Agreement to evidence the award and the terms applicable thereto.

(c) Share Units credited to a Participant’s Account under Section 2.3(a), together with any additional Share Units granted in respect thereof under Section 2.4, will be fully vested upon being credited to the Participant’s Account and the Participant’s entitlement to payment of such Share Units as of the payment date provided for in Section 3.1 shall not thereafter be subject to satisfaction of any requirements as to any minimum period of membership on the Board.

(d) Share Units credited to a Participant’s Account under Section 2.3(b), together with any additional Share Units granted in respect thereof under Section 2.4, will vest in accordance with such terms and conditions as may be determined by the Board and set out in the Award Agreement.

2.4 Dividends

On any payment date for dividends paid on Subordinated Voting Shares, a Participant shall be credited with dividend equivalents in respect of Share Units credited to the Participant’s Account as of the record date for payment of such dividends. Such dividend equivalents shall be converted into additional Share Units (including fractional Share Units) based on the Fair Market Value as of the date on which the dividends on the Subordinated Voting Shares are paid.

2.5 Participant’s Account

A Participant’s Account shall record at all times the number of Share Units standing to the credit of the Participant. Upon payment in satisfaction of Share Units credited to a Participant in the manner described herein, such Share Units shall be cancelled. A written confirmation of the balance in each Participant’s Account shall be provided by the Corporation to the Participant at least Annually.

2.6 Adjustments and Reorganizations

Notwithstanding any other provision of the Plan, in the event of any change in the Subordinated Voting Shares by reason of any stock dividend, split, recapitalization, reclassification, amalgamation, arrangement, merger, consolidation, combination or exchange of Subordinated Voting Shares or distribution of rights to holders of Subordinated Voting Shares or any other form of corporate reorganization whatsoever, an equitable adjustment permitted under Applicable Law shall be made to any Share Units then outstanding and any references to specific quantities (including, but not limited to, percentage limits) of Subordinated Voting Shares or Share Units under the Plan. Such adjustment shall be made by the Board, subject to Applicable Law, shall be conclusive and binding for all purposes of the Plan.

Section 3 Redemptions

3.1 Redemption of Share Units

(a) Subject to Section 3.1(c) and unless otherwise determined by the Board, each grant of Share Units credited to a Participant’s Account pursuant to an election under Section 2.2 shall be redeemed, together with any dividend equivalent Share Units attributable thereto, in three equal instalments on each of the first three anniversaries of the Conversion Date applicable to such Share Unit grant for the purposes of Section 2.3(a).

(b) Subject to Section 3.1(c) and unless otherwise determined by the Board, Share Units credited to a Participant’s Account pursuant to an award under Section 2.3(b) that have vested shall be redeemed, together with any vested dividend equivalent Share Units attributable thereto, in accordance with the Award Agreement governing such Share Units.
In the event of a Change in Control, all Share Units that have been credited to a Participant under
the Plan and not redeemed prior to such Change in Control shall be redeemed immediately prior to
the effective time of the Change in Control.

3.2 Settlement of Share Units

A Participant, or the Beneficiary of a Participant, as the case may be, whose Share Units are redeemed pursuant to
Section 3.1 shall be entitled to receive one Subordinated Voting Share from the Corporation for each whole Share
Unit then being settled, subject to Section 5.12.

3.3 Fractional Subordinated Voting Shares

No fractional Subordinated Voting Shares shall be issued upon the surrender of any Share Unit and, if as a result of
any adjustment, a Participant would become entitled to a fractional Subordinated Voting Share, such Participant shall
have the right to receive only the next lowest whole number of Subordinated Voting Shares and no payment or other
adjustment will be made for the fractional interest.

Section 4 Subordinated Voting Shares Subject to the Plan

4.1 Total Number of Subordinated Voting Shares

Subject to adjustment as provided for in Section 2.6, the maximum number of Subordinated Voting Shares that may
be issued or issuable under the Plan shall be a number equal to 1.0% of the number of issued and outstanding Shares
on a non-diluted basis from time to time.

4.2 Additional Limits.

Notwithstanding any other provision of this Plan or any agreement relating to Share Units, no Share Units shall be
granted under this Plan if:

(a) together with any other Security Based Compensation Arrangements established or maintained by
the Corporation, such grant of Share Units could result, at any time, in the aggregate number of
Subordinated Voting Shares (i) issued to Insiders, within any one-year period or (ii) issuable to
Insiders, at any time, exceeding 10% of the issued and outstanding Subordinated Voting Shares on
a non-diluted basis;

(b) such grant of Share Units to an Non-Employee Director is pursuant to Section 2.3(b) (or in respect
thereof under Section 2.4) and will result in: (i) the aggregate number of Subordinated Voting Shares
reserved for issuance to all Non-Employee Directors pursuant to outstanding Share Units granted
under the Plan pursuant to Section 2.3(b) (or in respect thereof under Section 2.4) and all other
Security Based Compensation Arrangements providing for the equity awards other than in lieu of
cash fees exceeding 1.0% of the total number of Shares then-issued and outstanding; or (ii) the Fair
Market Value of Share Units on their date of granting to any Non-Employee Director under the Plan
pursuant to Section 2.3(b) (or in respect thereof under Section 2.4) and all other Security Based
Compensation Arrangements providing for the equity awards other than in lieu of cash fees
exceeding $150,000 per year.

Section 5 General

determined by the Board) shall be no greater than the rights of an unsecured general creditor of the Corporation.
5.2 Successors and Assigns

The Plan shall be binding on all successors and permitted assigns of the Corporation and a Participant, including without limitation, the estate of such Participant and the legal representative of such estate, or any receiver or trustee in bankruptcy or representative of the Corporation’s or the Participant’s creditors. (b) Subject to Section 5.3(c), the Board may at any time and for any reason amend, suspend or terminate this Plan, in whole or in part, and this Plan shall govern the rights and obligations of the Corporation and the Participants, as applicable, with respect to all then outstanding Share Units, provided that no such amendment, suspension or termination of this Plan may, without the consent of a Participant to whom Share Units shall theretofore have been granted, adversely affect the rights of such Participant’s outstanding Share Units, as determined by the Board acting in good faith.

(c) Notwithstanding Section 5.3(b), except as set forth in Section 2.6 or Section 5.7, the Board may not, without approval by a majority of the votes cast by the holders of Shares present and voting in person or by proxy at a meeting of Shareholders:

(i) increase the maximum percentage of Subordinated Voting Shares issuable by the Corporation pursuant to the Plan in Section 4.1;

(ii) expand the authority of the Board to permit assignability of the Share Units beyond that contemplated by Section 5.2;

The Participant may, subject to Applicable Law, change such designation from time to time. Such designation or change shall be in the form of Schedule C. Changes to such designation may be filed from time to time thereafter.

5.7 **Death of Participant**

In the event of a Participant’s death, any and all Share Units then credited to the Participant’s Account shall become payable to the Participant’s Beneficiary in accordance with Section 3.2 as soon as reasonably practicable after the Participant’s date of death.

5.8 **Rights of Participants**

(a) Except as specifically set out in the Plan, no Participant, or any other person shall have any claim or right to any benefit in respect of Share Units granted or amounts payable pursuant to the Plan.

(b) The Plan shall not be construed as granting a Participant a right to be retained as a member of the Board or a claim or right to any future grants of Share Units, future amounts payable or other benefits under the Plan.

(c) Under no circumstances shall Share Units be considered Shares nor shall they entitle any Participant or other person to exercise voting rights or any other rights attaching to the ownership of Shares.

5.9 **Compliance with Law**

Any obligation of the Corporation pursuant to the terms of the Plan is subject to compliance with Applicable Law. The Participants shall comply with Applicable Law and furnish the Corporation with any and all information and undertakings as may be required to ensure compliance therewith.

The Corporation will be responsible for all costs relating to the administration of the Plan.

To the fullest extent permitted by law, the Corporation shall indemnify and save harmless each person made, or threatened to be made, a party to any action or proceeding in respect of the Plan by reason of the fact that such person is or was a member of the Board or is or was an officer or employee of the Corporation or any subsidiary, partnership, trust of the Corporation or other controlled entity of the Corporation.
5.12 Withholding

The Corporation may also satisfy any liability for any such withholding obligations, on such terms and conditions as the Corporation may determine in its sole discretion, by (a) selling on such Participant’s behalf, or requiring such Participant to sell, any Subordinated Voting Shares, and retaining any amount payable which would otherwise be provided or paid to such Participant in connection with any such sale, or (b) requiring, as a condition to the delivery of Subordinated Voting Shares in settlement of any Participant’s Share Units, that such Participant make such arrangements as the Corporation may require so that the Corporation can satisfy such withholding obligations, including requiring such Participant to remit an amount to the Corporation in advance, or reimburse the Corporation for, any such withholding obligations.

statements (the “Restated Statements”) disclose, in the opinion of the Board acting reasonably, materially
worse financial results than those contained in the Original Statements, then the Board may, in its sole

Share Units or SARs on or prior to the applicable maturity or Vesting Dates, or cancel or terminate
any outstanding Grants which have Vested in the twelve (12) months prior to the date on which the
Board determines that the Corporation’s Original Statements are required to be restated, such date
being a “Relevant Equity Recoupment Date”); and/or

(c) require payment to the Corporation of the value of any Shares of the Corporation acquired by the
Participant pursuant to a Grant in the twelve (12) months prior to a Relevant Equity Recoupment
Date (less any amount paid by the Participant to acquire such Shares and less the amount of tax
withheld pursuant to the Income Tax Act (Canada) or other relevant taxing authority in respect of
such Shares).

7. **MISCELLANEOUS**

Participant will, at all times, act in strict compliance with Applicable Law and all other laws and any policies
of the Corporation applicable to the Participant in connection with the Plan including, without limitation,
furnishing to the Corporation all information and undertakings as may be required to permit compliance with
Applicable Law.

7.2 **Withholdings.**

So as to ensure that the Corporation or an Affiliate, as applicable, will be able to comply with the applicable
obligations under any federal, provincial, state or local law relating to the withholding of tax or other required
deductions, the Corporation or the Affiliate shall withhold or cause to be withheld from any amount payable
to a Participant, either under this Plan, or otherwise, such amount as may be necessary to permit the
Corporation or the Affiliate, as applicable, to so comply. The Corporation and any Affiliate may also satisfy
any liability for any such withholding obligations, on such terms and conditions as the Corporation may
determine in its sole discretion, by (a) selling on such Participant’s behalf, or requiring such Participant to sell, any Shares, and retaining any amount payable which would otherwise be provided or paid to such Participant in connection with any such sale, or (b) requiring, as a condition to the delivery of Shares hereunder, that such Participant make such arrangements as the Corporation may require so that the Corporation and its Affiliates can satisfy such withholding obligations, including requiring such Participant to remit an amount to the Corporation or an Affiliate in advance, or reimburse the Corporation or any Affiliate for, any such withholding obligations.

7.3 **No Right to Continued Employment.**

Nothing in the Plan or in any Grant Agreement entered into pursuant hereto shall confer upon any Participant the right to continue in the employ or service of the Corporation or any Affiliate, to be entitled to any remuneration or benefits not set forth in the Plan or a Grant Agreement or to interfere with or limit in any way the right of the Corporation or any Affiliate to terminate Participant’s employment or service arrangement with the Corporation or any Affiliate.

7.4 **No Additional Rights.**

Neither the designation of an individual as a Participant nor the Grant of any Options, SARs, Share Units, Restricted Stock or other award to any Participant entitles any person to the Grant, or any additional Grant, as the case may be, of any Options, SARs, Share Units, Restricted Stock or other award under the Plan. For greater certainty, the Board’s decision to approve a Grant in any period shall not require the Board to approve a Grant to any Participant in any other period; nor shall the Board’s decision with respect to the size or terms and conditions of a Grant in any period require it to approve a Grant of the same or similar size or with the same or similar terms and conditions to any Participant in any other period. The Board shall not be precluded from approving a Grant to any Participant solely because such Participant may have previously received a Grant under this Plan or any other similar compensation arrangement of the Corporation or an Affiliate. No Eligible Person has any claim or right to receive a Grant except as may be provided in a written employment or services agreement between an Eligible Person and the Corporation or an Affiliate.

7.5 **Amendment, Termination.**

The Plan is subject to the approval of a majority of the votes cast at the next succeeding meeting of the shareholders of the Corporation and the final approval of the Stock Exchange. Any Grants under the Plan prior to such time shall not be settled or binding on the Corporation unless and until such shareholder approval and Stock Exchange approval is obtained. If the Plan is not approved by the majority of the votes cast at a meeting of the shareholders and the Stock Exchange, the Plan and all outstanding Grants shall terminate and be null and void.

The Plan and any Grant made pursuant to the Plan may be amended, modified or terminated by the Board without approval of shareholders, provided that no amendment to the Plan or Grants made pursuant to the Plan may be made without the consent of a Participant if it adversely alters or impairs the rights of the Participant in respect of any Grant previously granted to such Participant under the Plan, except that Participant consent shall not be required where the amendment is required for purposes of compliance with Applicable Law. For greater certainty, the Plan may not be amended without shareholder approval in accordance with the requirements of the Stock Exchange to do any of the following:

(a) increase in the maximum number of Shares issuable pursuant to the Plan and as set out in Section 4.1;

(b) provide for the issuance of Multiple Voting Shares under the Plan;

(c) reduce the Exercise Price of an outstanding Option or the Base Price of a Stand-Alone SAR;

(d) extend the maximum term of any Grant made under the Plan;
(e) amend the assignment provisions contained in Section 7.11;

(f) permit a non-employee Director to be eligible for Grants under the Plan;

(g) increase the number of Shares that may be issued or issuable to Insiders above the restriction or deleting the restriction on the number of Shares that may be issued or issuable to Insiders contained in Section 4.3;

(h) include other types of equity compensation involving the issuance of Shares under the Plan; or

(i) amend this Section 7.5 to amend or delete any of (a) through (h) above or grant additional powers to the Board to amend the Plan or entitlements without shareholder approval.

For greater certainty and without limiting the foregoing, shareholder approval shall not be required for the following amendments and the Board may make the following changes without shareholder approval, subject to any regulatory approvals including, where required, the approval of any Stock Exchange:

(j) amendments of a “housekeeping” nature;

(k) a change to the Vesting provisions of any Grants;

(l) a change to the termination provisions of any Grant that does not entail an extension beyond the original term of the Grant; or

(m) amendments to the provisions relating to a Change in Control.

7.6 **Currency.** Except where the context otherwise requires, all references in the Plan to currency refer to lawful Canadian currency. Any amounts required to be determined under this Plan that are denominated in a currency other than Canadian dollars shall be converted to Canadian dollars at the applicable Bank of Canada noon rate of exchange on the date as of which the amount is required to be determined.

7.7 **Administration Costs.**

The Corporation will be responsible for all costs relating to the administration of the Plan.

7.8 **Designation of Beneficiary.**

Subject to the requirements of Applicable Law, a Participant may designate a Beneficiary, in writing, to receive any benefits that are provided under the Plan upon the death of such Participant. The Participant may, subject to Applicable Law, change such designation from time to time. Such designation or change shall be in such form as may be prescribed by the Board from time to time. A Beneficiary designation under this Section 7.8 and any subsequent changes thereto shall be filed with the General Counsel of the Corporation.

7.9 **Governing Law.**

The Plan and any Grants pursuant to the Plan shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. The Board may provide that any dispute to any Grant shall be presented and determined in such forum as the Board may specify, including through binding arbitration. Any reference in the Plan, in any Grant Agreement issued pursuant to the Plan or in any other agreement or document relating to the Plan to a provision of law or rule or regulation shall be deemed to include any successor law, rule or regulation of similar effect or applicability.
7.10 **Assignment.**

The Plan shall inure to the benefit of and be binding upon the Corporation, its successors and assigns.

7.11 **Transferability.**

Unless otherwise provided in the Plan or in the applicable Grant Agreement, no Grant, and no rights or interests therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a Participant other than by testamentary disposition by the Participant or the laws of intestate succession. No such interest shall be subject to execution, attachment or similar legal process including without limitation seizure for the payment of the Participant’s debts, judgments, alimony or separate maintenance.

8. **EFFECTIVE DATE**

8.1 The Plan is established effective August 5, 2020.
PART II – OPTIONS AND SARS

9. OPTIONS

9.1 The Corporation may, from time to time, make one or more Grants of Options to Eligible Persons on such terms and conditions, consistent with the Plan, as the Board shall determine. In granting such Options, subject to the provisions of the Plan, the Corporation shall specify,

(a) the maximum number of Shares which the Participant may purchase under the Options;

(b) the Exercise Price at which the Participant may purchase his or her Shares under the Options;

(c) the term of the Options, to a maximum of ten (10) years from the Grant Date of the Options, the Vesting period or periods within this period during which the Options or a portion thereof may be exercised by a Participant and any other Vesting conditions (including Performance Conditions); and

(d) any Tandem SARs that are granted with respect to such Options.

9.2 The Exercise Price for each Share subject to an Option shall be fixed by the Board but under no circumstances shall any Exercise Price be less than one hundred percent (100%) of the Market Price on the Grant Date of such Option.

9.3 Unless otherwise designated by the Board in the applicable Grant Agreement, one third of the Options included in a Grant shall Vest on each of the first three anniversaries of the Grant Date and, subject to Section 9.5, any such Options shall expire on the fifth anniversary of the Grant Date (unless exercised or terminated earlier in accordance with the terms of the Plan or the Grant Agreement).

9.4 Subject to the provisions of the Plan and the terms governing the granting of the Option, and subject to payment or other satisfaction of all related withholding obligations in accordance with Section 7.2, Vested Options or a portion thereof may be exercised from time to time by delivery to the Corporation at its registered office of a notice in writing signed by the Participant or the Participant’s legal personal representative, as the case may be, and addressed to the Corporation. This notice shall state the intention of the Participant or the Participant’s legal personal representative to exercise the said Options and the number of Shares in respect of which the Options are then being exercised and must be accompanied by payment in full of the Exercise Price under the Options which are the subject of the exercise. On the exercise of an Option, any related Tandem SAR shall be cancelled.

9.5 If the normal expiry date of any Option falls within any Blackout Period or within ten (10) business days (being a day other than a Saturday, Sunday or other than a day when banks in Toronto, Ontario are not generally open for business) following the end of any Blackout Period, then the expiry date of such Option shall, without any further action, be extended to the date that is ten (10) business days following the end of such Blackout Period. The foregoing extension applies to all Options whatever the Grant Date and shall not be considered an extension of the term of the Options as referred to in Section 7.5.

10. STOCK APPRECIATION RIGHTS

10.1 The Board may from time to time make one or more Grants of Stock Appreciation Rights to Eligible Persons on such terms and conditions, consistent with the Plan, as the Board shall determine.

10.2 Tandem SARs may be granted at or after the Grant Date of the related Options, and each Tandem SAR shall be subject to the same terms and conditions and denominated in the same currency as the Option to which it relates and the additional terms and conditions set forth in this Section 10.

10.3 On exercise of a Tandem SAR, the related Option shall be cancelled and the Participant shall be entitled to an amount in settlement of such Tandem SAR calculated and in such form as provided in Section 10.8 below.
10.4 Tandem SARs may be exercised only if and to the extent the Options related thereto are then Vested and exercisable and shall be exercised in accordance with such procedures as may be established by the Board. For greater certainty, upon the expiry or forfeiture of the Option to which a Tandem SAR is attached, including in connection with a Participant’s Termination, as provided in Section 11, such Tandem SAR shall also expire or be forfeited, as the case may be.

10.5 Stand-Alone SARs granted under the Plan shall become Vested at such times, in such installments and subject to the terms and conditions of this Plan (including satisfaction of Performance Conditions and/or continued employment) as may be determined by the Board and set forth in the applicable Grant Agreement. For greater certainty, except as set out in a Grant Agreement in respect of the Stand-Along SAR, or as otherwise approved by the Board, no Stand-Alone SAR granted to a Participant shall Vest after the Participant’s Termination and any Stand-Alone SARs that are outstanding on the Participant’s date of Termination shall expire or be forfeited, as the case may be.

10.6 The Base Price for each Stand-Alone SAR shall not be less that one hundred percent of the Market Price on the Grant Date of such Stand-Alone SAR.

10.7 Unless the Board determines otherwise, Stand-Alone SARs covered by a Grant shall, when and to the extent Vested, be settled by payment in cash of the amount determined in accordance with Section 10.8.

10.8 Upon exercise thereof, or the settlement thereof in accordance with Section 10.7, and subject to payment or other satisfaction of all related withholding obligations in accordance with Section 7.2, Stock Appreciation Rights (and, in the case of Tandem SARs, the related Options) shall be settled by payment in cash, of an amount, or the delivery of Shares or a combination of cash and Shares, as determined by the Board with an aggregate value equal to the product of:

(A) the excess of the Market Price on the date of exercise over the Exercise Price or Base Price under the applicable Stock Appreciation Right,

multiplied by

(B) the number of Stock Appreciation Rights exercised or settled.

10.9 Any cash payment in settlement of a Stand-Alone SAR shall be payable in Canadian dollars. Any cash payment in settlement of a Tandem SAR shall be payable in the currency as the option to which it relates. Any portion of a Stock Appreciation Right that is to be settled in Shares shall be settled by delivery of the number of Shares having a Market Price on the date of exercise equal to the portion of the amount determined in accordance with Section 10.8 being settled, rounded down to the nearest whole Share.

10.10 If the normal expiry date of any Stock Appreciation Right falls within any Blackout Period or within ten (10) business days (being a day other than a Saturday, Sunday or other than a day when banks in Toronto, Ontario are not generally open for business) following the end of any Blackout Period, then the expiry date of such Stock Appreciation Right shall, without any further action, be extended to the date that is ten (10) business days following the end such Blackout Period. The foregoing extension applies to all SARs whatever and shall not be considered an extension of the term of the SARs as referred to in Section 7.5.

11. TERMINATION OF EMPLOYMENT AND DEATH OF A PARTICIPANT – OPTIONS AND TANDEM SARS

11.1 Outstanding Options held by a Participant as of the Participant’s date of Termination shall be subject to the provisions of this Section 11, as applicable; except that, in all events, the period for exercise of Options shall end no later than the last day of the maximum term thereof established under Section 9.1(c), 9.5, or 11.5, as the case may be.
Subject to the applicable Grant Agreement, Section 11.1 and Section 11.6, in the case of a Participant’s Termination due to death, or in the case of the Participant’s Disability (i) those of the Participant's outstanding Options that were granted prior to the year that includes the Participant’s date of death or Disability Date, as the case may be, that have not become Vested prior to such date of death or Disability Date shall continue to Vest and, upon Vesting, be exercisable during the twelve (12) month period following such date of death or Disability Date, as the case may be, as if the Participant had remained Employed throughout such period and (ii) those of the Participant’s outstanding Options that have become Vested prior to the Participant’s date of death or Disability Date shall continue to be exercisable during the twelve (12) month period following the such date of death or Disability Date, as the case may be.

The number of Options granted to a Participant in the year that includes the Participant’s date of death or Disability Date that remain eligible to Vest following such date of death or Disability Date (the “Special Pro Rated Options”) shall be determined by the formula \( A \times B \div C \) where:

- \( A \) equals the total number of Options included in the Grant that have not previously Vested,
- \( B \) equals the total number of days between January 1 of the year that includes the Grant Date of such Grant and the Participant’s date of death or Disability Date, and
- \( C \) equals 365.

The Special Pro Rated Options shall continue to Vest and, upon Vesting, be exercisable during the twelve (12) month period following the Participant’s date of death or Disability Date, as the case may be as if the Participant had remained Employed throughout such period. The balance of the Options granted to a Participant in the year that includes the Participant’s date of death or Disability Date that are not Special Pro Rated Options shall be forfeited and cancelled as of the Participant’s date of death or Disability Date, as the case may be.

Subject to the applicable Grant Agreement, Section 11.1 and Section 11.6, in the case of a Participant's Termination due to the termination of the Participant’s employment or termination of the Participant’s contract for services by the Corporation or an Affiliate without Cause, the Participant’s outstanding Options that have become Vested prior to the Participant’s Termination shall continue to be exercisable during the ninety (90) day period following the Participant’s Date of Termination.

Subject to the applicable Grant Agreement and Section 11.6, in the case of a Participant’s Termination due to the Participant’s resignation (including the voluntary withdrawal of services by a Participant who is not an employee under Applicable Law), the Participant's outstanding Options that have become Vested prior to the date on which the Participant provides notice to the Corporation of his or her resignation shall continue to be exercisable during the sixty (60) day period following the Participant’s date of Termination.

In addition to the Board’s rights under Section 3.1, the Board may, at the time of a Participant’s Termination or Disability Date, extend the period for exercise of some or all of the Participant’s Options, but not beyond the original expiry date, and/or allow for the continued Vesting of some or all of the Participant’s Options during the period for exercise or a portion of it. Options that are not exercised prior to the expiration of the exercise period, including any extended exercise period authorized pursuant to this Section 11.6, following a Participant’s date of Termination or Disability Date, as the case may be, shall automatically expire on the last day of such period.

Notwithstanding any other provision hereof or in any Grant Agreement, in the case of a Participant’s termination of employment or termination of the Participant’s contract for services for Cause, any and all then outstanding unvested Options granted to the Participant shall be immediately forfeited and cancelled, without any consideration therefore, as of the commencement of the day that notice of such termination is given.
11.7 For greater certainty, a Participant shall have no right to receive Shares or a cash payment, as compensation, damages or otherwise, with respect to any Options that do not become Vested or that are not exercised before the date on which the Options expire.
PART III – SHARE UNITS

12. DEFINITIONS

12.1 “Grant Value” means the dollar amount allocated to an Eligible Person in respect of a Grant of Share Units as contemplated by Section 3.

12.2 “Share Unit Account” has the meaning set out in Section 14.1.

12.3 “Valuation Date” means the date as of which the Market Price is determined for purposes of calculating the number of Share Units included in a Grant, which unless otherwise determined by the Board shall be the Grant Date.

12.4 “Vesting Period” means, with respect to a Grant of Share Units, the period specified by the Board, commencing on the Grant Date and ending on the last Vesting Date for such Share Units.

13. ELIGIBILITY AND GRANT DETERMINATION.

13.1 The Board may from time to time make one or more Grants of Share Units to Eligible Persons on such terms and conditions, consistent with the Plan, as the Board shall determine, provided that, in determining the Eligible Persons to whom Grants are to be made and the Grant Value for each Grant, the Board shall take into account the terms of any written employment agreement or contract for services between an Eligible Person and the Corporation or any Affiliate and may take into account such other factors as it shall determine in its sole and absolute discretion.

13.2 The Board shall determine the Grant Value and the Valuation Date (if not the Grant Date) for each Grant under this Part III. The number of Share Units to be covered by each such Grant shall be determined by dividing the Grant Value for such Grant by the Market Price of a Share as at the Valuation Date for such Grant, rounded up to the next whole number.

13.3 Each Grant Agreement issued in respect of Share Units shall set forth, at a minimum, the type of Share Units and Grant Date of the Grant evidenced thereby, the number of RSUs or PSUs subject to such Grant, the applicable Vesting conditions, the applicable Vesting Period(s) and the treatment of the Grant upon Termination and may specify such other terms and conditions consistent with the terms of the Plan as the Board shall determine or as shall be required under any other provision of the Plan. The Board may include in a Grant Agreement under this Part III terms or conditions pertaining to confidentiality of information relating to the Corporation’s operations or businesses which must be complied with by a Participant including as a condition of the grant or Vesting of Share Units.

14. ACCOUNTS AND DIVIDEND EQUIVALENTS

14.1 Share Unit Account.

An account, called a “Share Unit Account”, shall be maintained by the Corporation, or an Affiliate, as specified by the Board, for each Participant who has received a Grant of Share Units and will be credited with such Grants of Share Units as are received by a Participant from time to time pursuant to Section 13 and any dividend equivalent Share Units pursuant to Section 14.2. Share Units that fail to Vest to a Participant and are forfeited pursuant to Section 15, or that are paid out to the Participant or his or her Beneficiary, shall be cancelled and shall cease to be recorded in the Participant’s Share Unit Account as of the date on which such Share Units are forfeited or cancelled under the Plan or are paid out, as the case may be. For greater certainty, where a Participant is granted both RSUs and PSUs, such RSUs and PSUs shall be recorded separately in the Participant’s Share Unit Account.
Dividend Equivalent Share Units.

Except as otherwise provided in the Grant Agreement relating to a Grant of RSUs or PSUs, if and when cash dividends (other than extraordinary or special dividends) are paid with respect to Shares to shareholders of record as of a record date occurring during the period from the Grant Date under the Grant Agreement to the date of settlement of the RSUs or PSUs granted thereunder, a number of dividend equivalent RSUs or PSUs, as the case may be, shall be credited to the Share Unit of Account of the Participant who is a party to such Grant Agreement. The number of such additional RSUs or PSUs will be calculated by dividing the aggregate dividends or distributions that would have been paid to such Participant if the RSUs or PSUs in the Participant’s Share Unit Account had been Shares by the Market Price on the date on which the dividends or distributions were paid on the Shares. The additional RSUs or PSUs granted to a Participant will be subject to the same terms and conditions, including Vesting and settlement terms, as the corresponding RSUs or PSUs, as the case may be.

15. VESTING AND SETTLEMENT OF SHARE UNITS

15.1 Continued Employment.

Subject to this Section 15 and the applicable Grant Agreement, Share Units subject to a Grant and dividend equivalent Share Units credited to the Participant’s Share Unit Account in respect of such Share Units shall Vest in such proportion(s) and on such Vesting Date(s) as may be specified in the Grant Agreement governing such Grant provided that the Participant is Employed on the relevant Vesting Date.

15.2 Settlement.

A Participant’s RSUs and PSUs, adjusted in accordance with the applicable multiplier, if any, as set out in the Grant Agreement, and rounded down to the nearest whole number of RSUs or PSUs, as the case may be, shall be settled, by a distribution as provided below to the Participant or his or her Beneficiary following the Vesting thereof in accordance with Section 15.1 or 16.6, as the case may be, subject to the terms of the applicable Grant Agreement. In all events, unless the Grant Agreement specifies that RSUs and PSUs must be settled through the issuance of Shares, settlement will occur upon or as soon as reasonably practicable following Vesting and, in any event, on or before December 31 of the third year following the year in which the Participant performed the services to which the Grant of RSUs or PSUs relates. Settlement shall be made by the issuance of one Share for each RSU or PSU then being settled, a cash payment equal to the Market Price on the Vesting Date of the RSUs or PSUs being settled in cash (subject to Section 15.3), or a combination of Shares and cash, all as determined by the Board in its discretion, or as specified in the applicable Grant Agreement, and subject to payment or other satisfaction of all related withholding obligations in accordance with Section 7.2.

15.3 Postponed Settlement.

If a Participant’s Share Units would, in the absence of this Section 15.3 be settled within a Blackout Period applicable to such Participant, such settlement shall be postponed until the earlier of the Trading Day following the date on which such Blackout Period ends (or as soon as practicable thereafter) and the otherwise applicable date for settlement of the Participant’s Share Units as determined in accordance with Section 15.2, and the Market Price of any RSUs or PSUs being settled in cash will be determined as of the earlier of the Trading Day on which the Blackout Period ends and the day prior to the settlement date.

15.4 Failure to Vest.

Subject to the applicable Grant Agreement, in the case of a Participant’s Termination due to death, or in the case of the Participant’s Disability, all Share Units granted to the Participant that were granted prior to the year that includes the Participant’s date of death or Disability Date, as the case may be, that have not Vested prior to the Participant’s date of death or Disability Date, as the case may be, and related dividend equivalent Share Units, shall Vest at the end of the Vesting Period relating to such Grant(s) of such Share Units and in the case of a Grant of PSUs, subject to the achievement of the applicable Performance Conditions and the adjustment of the number of PSUs that Vest to reflect the extent to which such Performance Conditions were achieved, as if the Participant had remained Employed by the Corporation or an Affiliate until the end of the Vesting Period applicable to such Share Units.

The number of Share Units granted to a Participant in the year that includes the Participant’s date of death or Disability Date that remain eligible to Vest following such date of death or Disability Date (the “**Special Pro Rated Share Units**”) shall be determined by the formula \( A \times B / C \) where:

- **A** equals the total number of Share Units relating to such Grant that have not previously Vested,
- **B** equals the total number of days between January 1 of the year that includes the Grant Date of such Grant and the Participant’s date of death or Disability Date, and
- **C** equals 365.

The Special Pro Rated Share Units, together with any dividend equivalent Share Units attributable thereto, shall Vest at the end of the Vesting Period relating to such Grant(s) of such Share Units and in the case of a Grant of PSUs that are subject to Performance Conditions, subject to the achievement of the applicable Performance Conditions and the adjustment of the number of Special Pro Rated PSUs and related dividend equivalent PSUs that Vest to reflect the extent to which such Performance Conditions were achieved, as if the Participant had remained Employed by the Corporation or an Affiliate until the end of the Vesting Period applicable to such Share Units. The balance of the Share Units included in a Grant made in the year that includes the Participant’s date of death or Disability Date that are not Special Pro Rated Share Units shall be forfeited and cancelled as of the Participant’s date of death or Disability Date, as the case may be.

15.7 **Termination of Employment without Cause.**

Subject to the applicable Grant Agreement and Section 15.8, in the event of a Participant's Termination due to the termination of the Participant’s employment or termination of the Participant’s contract for services by the Corporation or an Affiliate without Cause prior to the end of a Vesting Period relating to a Grant:

(a) the number of RSUs determined by the formula \( A \times B / C \), where

- **A** equals the total number of RSUs relating to such Grant that have not previously Vested and dividend equivalent RSUs in respect of such RSUs,
- **B** equals the total number of days between the first day of the Vesting Period relating to such Grant and the Participant’s date of Termination, and
- **C** equals total number of days in the Vesting Period relating to such Grant,

shall become Vested RSUs at the end of the Vesting Period relating to such Grant; and

(b) the number of PSUs (if any) determined by the formula \( A \times B / C \), where

- **A** equals the total number of PSUs relating to such Grant that have not previously Vested and dividend equivalent PSUs in respect of such PSUs that would have Vested had the Participant...
remained Employed until the end of the applicable Vesting Period having regard to the extent to which the applicable Performance Conditions were satisfied,

\[ B \] equals the total number of days between the first day of the Performance Period relating to such Grant and the Participant’s date of Termination, and

\[ C \] equals total number of days in the Performance Period relating to such Grant,

shall become Vested PSUs at the end of Vesting Period relating to such Grant.

15.8 **Extension of Vesting.**

The Board may, at the time of Termination or a Disability Date, extend the period for Vesting of Share Units, but not beyond the original end of the applicable Vesting Period.

15.9 **Termination of Employment for Cause.**

In the event a Participant’s employment is Terminated for Cause by the Corporation, no Share Units, that have not Vested prior to the date of the Participant’s Termination for Cause including dividend equivalent Share Units in respect of such Share Units, shall Vest and all such Share Units shall be forfeited immediately.

16. **SHAREHOLDER RIGHTS**

16.1 **No Rights to Shares.**
